One Liner

Curiosity is the path
that leads to discovery.

Spring brings Easter and the wonderful, joyous feeling of a new beginning—a rebirth of spirit and energy.

Nature is the embodiment of this rebirth and the older a person becomes, the more joy there is in watching the world come back to life.

This year our national spirit, too, needs revitalization. Young and old, easterners and westerners, workers and management in this melting pot of ethnic and political backgrounds that is America, all share the same goals of peace and prosperity for all.

Just as spring is a time for Nature's growth, so our economy must grow and become more productive to compete in world markets. Successful resolutions of past differences have made us strong. There is great hope for the future.

600 Honor RUDY ECKERT

Nearly 600 persons attended the fourth annual St. Peter's V.I.P. Dinner Dance held Saturday, March 25th at the Church's Social Center in honor of 1972 V.I.P. Rudy Eckert.

Rudy, longtime Antioch resident, businessman and parishioner of St. Peter's was treated to an evening of tribute and nostalgia by the many friends and neighbors he has made in his 38 years here. As part of the honors given to him by a grateful parish and village, Rudy was

presented with two commemorative plaques, a fishing outfit and a desk set. Presentations were made by Father Johnson, on behalf of the parish; Mayor Roy Toft from the village; and by Father Keusal, from the many parishioners of St. Peters.

Dr. Edward Abderholden served as the evenings Master of Ceremonies.

Food was prepared under the direction of Kathryn Wells and

Referendum Defeated Await Budget Cuts

from pg. 1

Voters turned down the proposed Antioch High School Education Rate referendum, Saturday by a vote of 1,585 to 965. The measure, which was defeated at all three polling places would have hiked the school's education tax rate by 40 cents per \$100 of assessed valuation.

Totals for the three precincts were as follows: Antioch High School YES 715 - NO 1,176; Lake Villa Grade School YES 105 - NO 181; B. J. Hooper School YES 145 - NO 228.

The school last ran a referendum on April 24th of 1971 and was roundly defeated by an 8-1 margin. Although this vote was much closer school officials were guarded as to any decision about running again until they had met with the Board of Education.

The defeat came at the

climax of a promotional job done by volunteers to turn out the "YES" vote. Proponents of the measure hoped to enlist the aid of parents of high school age children. As part of the campaign, a telephone brigade was formed and called this group a week prior to and on the day of election, urging them to vote.

However, their efforts were in vain as only 369 of an estimated 1,400 families took time out to cast their votes.

District Superintendent Albert Dittman felt the defeat was the result of a poor turnout by this group. "I thought if we could get 3,500 people out we had a chance to pass it. In the end we needed 700 more parents."

Defeat of the tax hike has raised fears that drastic budget cuts may be in the air to ease the district's deficit spending.

Even though this year's budget was trimmed by \$100,000 the school is currently \$375,000 in the red and cutbacks may mount to \$200,000.

Dittman noted the High School Board would hold a special meeting on Wednesday, March 29th at 9:00 p.m. to canvass ballots and discuss the needed cuts.

While nothing has been said on an official level, rumors are circulating that as many as 10 non-tenured teachers may not have their contracts renewed. In addition to staff cuts, an undetermined number of non-certified help (secretaries, cafeteria workers, custodians) may be eliminated from the 1972-73 budget. Program cuts are also expected to be heavy, with the Liberal Arts Curriculum and extra curricular activities taking the brunt.

Rudy Honored

Continued from pg. 1

served by parishioners, while music was provided by the Scotsmen.

As a special part of the evenings festivities, Morey Pickus, a longtime friend of Rudy's delighted the crowd with incidents of his fishing companion's virtues.

Classic quote for the evening was provided by Rudy himself, "I

didn't realize all the frustrations that go with being a V.I.P. First you HAVE to get your picture taken, then you HAVE to get a new suit, THEN of course the wife has to get a new dress and so on!"

After he had accepted the congratulations of the throng who attended, Rudy introduced his family and his four sisters and three brothers who came from as far as Detroit to be with him.

FREEDOM TO HOPE

Now that you, the voters, have spoken, it seems only fair and just that you should sit back, listen and contemplate.

By defeating the three most recent school referendums you have shown you will not pay higher taxes to support your struggling school systems. However, there are, as in all arguments, two sides to this issue.

While your taxes may remain the same, the education your children, grandchildren, or neighbor's children receive will no longer be the quality education provided by the baried programs, small classes and extracurricular activities that are as much part of education as are chalk and blackboards.

We, of the Antioch News, commend you on the use of your freedoms: freedom of choice; freedom of action; freedom to reject what you consider ever burdening taxes.

However, we have the same right to exercise freedom. In our case: freedom of the press. Freedom to say that we feel your vote was shortsighted. For, as a recent president has said, "Our progress as a nation can be no swifter than our progress in education."

While we may differ with you, we now endorse the regrettable cutbacks, which the Board of Education will have to enact in order to maintain at least a minimal standard of education.

The reduction of staff, the curtailing of the extra curricular programs and the tabling of some fine educational programs all have been made possible by your vote or your NON vote last Saturday.

Easter

It is time to color those Easter eggs again. The new Spring season will usher in Easter Sunday on April 2 this year. Once again, Christians will commemorate the resurrection of Christ. In the muted festival atmosphere, Easter parades and Easter bonnets will lend their enchantment to the occasion. In all but the frigid regions, nature will also add her magic touch of springtime flowers and fair breezes.

The freshness and fragrance of the new season some how symbolize the bright hope and faith that came into being with the birth of Christianity. Oddly, or perhaps not so oddly, the sounds of Spring on Easter Sunday are accentuated. The birds sing a little more pleasantly--or so it seems. And in between those April showers, the sun has a special warmth. What it all adds up to is that Easter is an exceptionally good day which is meant to celebrate the coming of new hope and salvation to all mankind. Let it be so this year.

Our Congressman

U.S. SERVICE ACADEMY APPOINTMENTS ARE COMPETITIVE

The nomination and appointment of qualified young men to the United States Service Academies is one of the most important responsibilities of Members of Congress, according to Congressman Robert McClory (R-Ill.).

Congressman McClory uses the competitive method in naming candidates for appointment, whereby all applicants compete equally for his nomination. He bases his selections on scholastic records, athletic and leadership participation, personal recommendations, and the Civil Service qualifying examination. The Civil Service test is held during the summer.

Each Congressman may nominate 10 candidates for each appointment open to him. Application for nomination to a service academy should be made during the spring term of the applicant's junior year in high school.

While attending the academies, which are tuition free, students are provided board and lodging, as well as a uniform and book allowance, from which a small amount of cash may be salvaged. It is estimated that the value of the four-year course at any of these academies is about \$53,000 for education and training. At the time of graduation, Army and Air Force Academy graduates are commissioned as Second Lieutenants, while Merchant Marine and Naval Academy graduates are given the rank of Ensign.

The United States Coast Guard Academy at New London, Connecticut, accepts applicants for appointment direct. Those interested should write to the Superintendent, U.S. Coast Guard Academy, New London, Connecticut 06320. No Congressional nomination is necessary.

When considering the opportunity offered by appointment to a United States Service Academy, applicants should recognize the five year active service obligation that follows graduation.

Students from the 12th Congressional District nominated by Congressman McClory who now are attending the academies include 17 at the Air Force Academy, two at the Merchant Marine Academy, 20 at West Point, and 13 at Annapolis. This high percentage of young men from the 12th District attests to the superior quality of education, home influence, and individual qualifications of the applicants.

Information concerning admission requirements is

generally available through high school and preparatory school guidance offices. Further inquiries may be addressed to Congressman Robert McClory, 2452 Rayburn House Office Building, Washington, D.C. 20515.

Applications for admission to next year's class will be accepted from residents of the new 13th District of Illinois which includes Marengo, Dorr, Nunda, Riley, Coral, Grafton and Algonquin Townships in McHenry County all of Kane County except Aurora, Batavia, Big Rock, Geneva, and Sugar Grove Townships; and all of Lake County except Deerfield, West Deerfield, Libertyville, Vernon and Elmhurst Townships.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

A CHRISTIAN INVITATION

One year ago we began a study discussion group under Christian Laymen of Chicago. We study scripture, not as an intellectual exercise, but to ask ourselves What is God saying, and How can I apply it to my life? The meetings are mostly sharing sessions - admitting our weaknesses and strengths in trying to live as Christians, sharing our delight and joy in having found Jesus Christ.

Our purpose is to deepen our commitment to God. To accept Christ is to take Him and His love with us from the breakfast table to the office, even to our social life. Do we mean Thy will be done? A Sunday kind of commitment reaps a one day kind of reward. When we really hear the Christian message, that God wants us to surrender our total lives to Him, a struggle invariable ensues. No one gives away his total freedom without a fight. When we realize we are not self-sufficient, when we give ourselves totally and completely to God, when we give Him our will, we find a depth and height to the love of Christ which was never even suspected before. All of us who have been taken possession of by Christ are encouraged to share our new-found life with one another. Our fellowship in Christ can become an important part of our faith life.

What have we found? We have found a deep joy in our renewed commitment to God. In our periods of doubt, we have found support. In our honest tackling of problems in living the Gospel, we have learned we are not alone - in our frustrations, in our guilt feelings about not feeling like loving, but especially in our struggle to put God first in our lives. We have found unity - thank God not a new sect! But an acceptance of each other just as we are, including our different ways of approaching God. Through sharing we have grown in loving Christ and each other - even though our present members are both Protestant and Catholic!

Want to know more about our group or how to form your own? Call me at 395-1326 or drop me a note.

DAY OF INFAMY

For the residents of High School District No. 117, Saturday March 25, 1972, was a day of infamy, shame, stupidity. On this day 1585 persons voted not to provide funds needed for education. Why would they do this? Everyone knows the importance of education!

But as so much of our society has grown to expect, they want their cake and have it to eat as well. The old adage of "let John do it" will somehow keep things going, they think.

An emotional reaction against high taxes - perhaps?

Are they higher for our school than formerly in relation to earnings, cost of living, etc.? What are the facts? The persons coming out and asking questions prior to the referendum were but a few. This is the ostrich technique - bury your head in the sand and there is no problem.

People were being asked to sacrifice. If this be the case, in terms of spending, if the money that is spent on cigarettes in the school district in one day were set aside once each week, the goal of the funds requested would be met. Sacrifice? What price do we put on the future of our children? The price of cigarettes has more than doubled in the last decade. Has District No. 117 doubled its contribution to the high school? Has anyone given up drinking because the cost of drinks have increased?

I hope this is inflammatory. It should be. The relation of crime rate to lack of education is high - to idle time, higher - to lack of social concern, still higher.

Time spent in pursuit of positive activity, sports, music, club activity, represents involvement in citizenship training. This teaches young people how to live together, to have social concern, respect for others; the alternative is young people on the streets, bored, learning nothing with idle time during which excitement would be sought. Slums were not the result of a specific design. Slums are the product of a lack - a lack of what a school provides. They do happen - look around - and they happen as a result of actions such as the referendum of last Saturday.

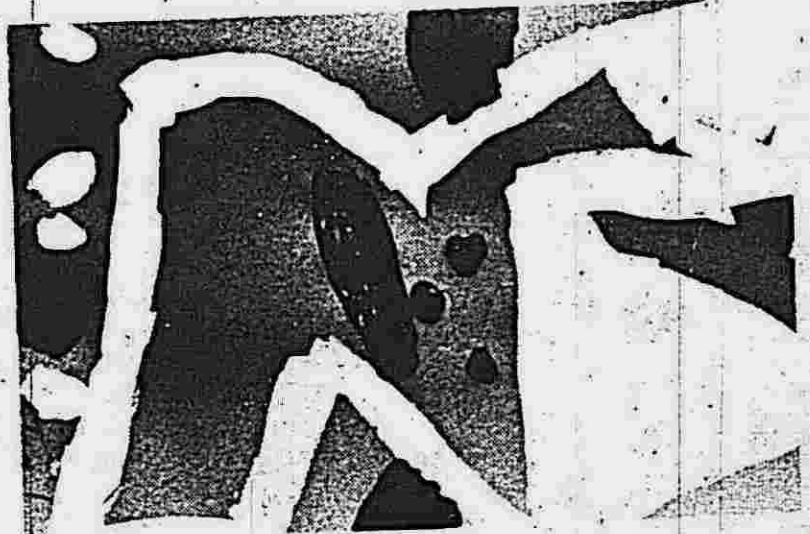

Are there other costs? Is approximately 1/4 million dollars which our college bound seniors have been able to get for their time in college, through college counseling, a loss? Families have been helped to understand each other - respect each other. Students have been helped to develop goals, improve their self concept, and better understand the world.

What is the cost to a community that loses these services, plus many more? Ghetto?

Our hats off to the thinking gentleman who called the high school Friday to see what his tax increase would be and said; "I don't like tax increases but I've had four grandchildren benefit from the high school, and feel that today's and tomorrow's youth deserve the needed educational opportunity, the total education, that was provided my children and my children's children."

Ah! A Masterpiece

I couldn't believe my eyes the other day when I opened the morning paper and **SENATE OKS WOMEN'S EQUALITY** stared me in the face. Right away I thought, "Oh, wow, am I going to be drafted?" I still am not sure of the answer, but as I was sitting in my living room thinking about it, I thought to myself, "I wonder what other women would do if they got their draft notice in the mail?" I received some really good answers this week to the following question:

To women, I asked: NOW THAT THE SENATE HAS OK'D WOMEN'S EQUALITY, WOULD YOU BE WILLING TO FIGHT FOR YOUR COUNTRY IF YOU WERE DRAFTED? IF NO, WHY NOT?

To men, I asked: NOW THAT THE SENATE HAS OK'D WOMEN'S EQUALITY, WOULD YOU BE WILLING TO LET YOUR WIFE OR DAUGHTER FIGHT FOR YOUR COUNTRY IF EITHER WAS DRAFTED? IF NO, WHY NOT?

(Actual drafting of women would require congressional revision of the Selective Service Act.)

GINA CALONDER, 11 years old, of 93 Highland Ave, Antioch, said, "I would be afraid I'd be killed. I would miss my family and friends. I don't want to kill anybody."

ESTELLE ALLEN, of Hillside Road, Antioch, said, "I am a little old, but sure I'd go!"

WILLIAM LANDUER, of 56 Summerside Ave, Antioch, stated, "I am sure my wife would do her part. Women should not be on an equal basis with men because I don't expect them to have to be in the front line. Women did their part in World War II, and they didn't have to be in the front lines to do it. They worked in factories, Red Cross work, took care of their homes and families and relieved men to do the fighting."

ERNA TRONZER, of 45 Maple St. Antioch, said, "Why

shouldn't I or anybody else be willing to fight for our country? Other countries have women in the Army. When you live in a country, you should be willing to fight for it. I don't want anything to happen to my country. Yes, I would fight for it."

KIM VASEK, 14 years old, of 617 Phillips, Antioch, said, "I think I would. A lot of women wouldn't be as willing and courageous to fight as men."

PAUL PETER, of Cross Lake, Antioch, said about his wife, "I would drive her to the train station!" All kidding aside, he stated, "No, I don't think I would like to see my wife go. I believe in Women's Lib. I believe they should have complete equality. But I don't want my wife to go because she's very close to me."

MRS HORAN, of 1064 Main St. Antioch, told me, "Yes, I sure would go because I am a good American citizen and I believe in our country."

MR HOLTZ, of Windsor Dr. Antioch, emphasized, "They fight with me, so I might as well let them fight for our

country! If the women want equality, they should fight. There is no reason for me to open a door to a house or shut the car door for them" (In the meantime, his wife is saying that she's going to give him a poke in the nose.) He

continued, "It should be a 2-way street."

If anyone would like me to write about something in my column, if I think it's worth writing about, I will put it in. If you have a request, call me at 395-0306, or contact me

through the Antioch News office.

Peace till next week.

Gigi

Home Rule Defeated 2-1

Voters turned a wary eye on the County Home Rule proposal Tuesday, March 21st, defeating it by more than a 2-1 margin.

The vote was 33,086 - NO and 14,977 - YES.

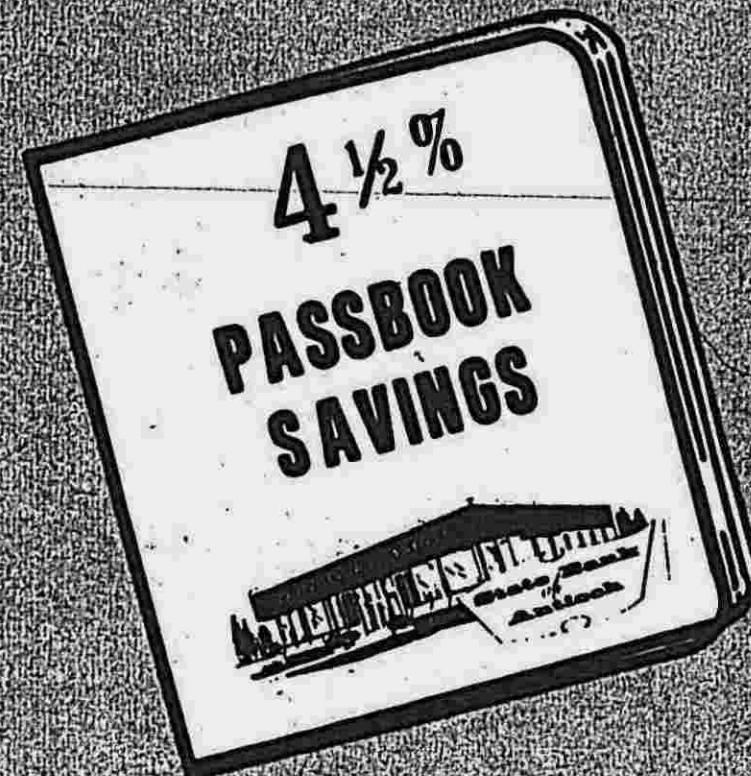

The proposal was met with indifference at the outset, but as the days waned nearer the election date a concerted effort by citizens groups and other organizations in opposition to the measure sealed the verdict.

Most authorities observed that the issue lost because of serious questions raised about taxing powers and the selection of a partisan "county executive", matters the new State Constitution was mute to answer.

As a result of the defeat, the proposition can next be brought up in November of 1974.

If approved by the voters at this time, nominees for county chief executive would be chosen in the March 1976 primaries and one elected in the November 1976 General Election.

"DAILY INTEREST"

"NO PENALTY FOR WITHDRAWALS"

Money grows faster at the State Bank because we pay you a guaranteed 4 1/2% interest, compounded daily, from the day of deposit to the day of withdrawal. (Absolutely no penalty for withdrawals). Easter Vacation Extended

At the regular meeting, March 21, 1972, the Board of Education, District No. 34, approved a motion to declare April 6 and 7 school holidays, thereby extending Easter Vacation through the week of April 2. Classes will be dismissed at the regular time on March 30, and resume on April 10.

Contributions Urged For Fire Victims

Principal Walter Soderman of the Channel Lake School has urged all area residents to contribute articles of clothing and other essentials for the family of Gladys Aronson of Channel Lake.

The Aronson family was driven from their home by an early morning fire on Friday, March 24th.

Soderman added that anyone who would like to contribute should send articles to any of the schools in District No. 34 or call Mrs. Doty - 395-1641 or Mrs. Givens - 395-5743 for pick up items.

Clothing sizes are listed below:

Mrs. Aronson - Size 16 - 18
Twin Boys - Size 16, Age 13
Boy - Size 14, Age 12
Girl - Size 10, Age 10
Boy - Size 10, Age 8
Boy - Size 8, Age 7

Here is a recipe for an Easter treat that is real yummy and delightful to look at around an Easter Lamb cake or in a little tyke's basket. Hope you like it! Don't forget to send us some luncheon recipes for Mrs. Hollen.

Chocolate Birds Nest

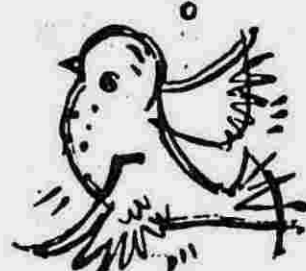

CHOCOLATE BIRDS NEST

1 Can Eagle Brand
Sweetened Condensed Milk
1 cup chopped pecans
1 teas. vanilla
1 lb. shredded coconut
2 squares unsweetened chocolate

Mix milk and coconut. Add melted chocolate and nuts. Form nests about the size of a silver dollar with greased hands. Bake on greased cookie sheet in slow oven (275 degrees) for 30 minutes. Fill with miniature jelly beans as you take them out of the oven.

This week's "Remember When" Picture was sent to us by Mr. Paddock from Grass Lake Lumber Co.

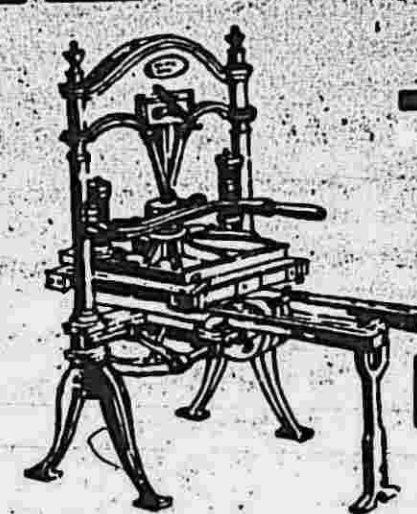

Mrs. Lillian Mock called to tell us the "Remember When" picture in the March 15th issue was the old St. Peter's Church on Victoria Street.

Remember When?

Remember when? We don't, but maybe some of you do. It is Antioch or the people from Antioch. For the next few weeks we will publish a photo from a time long past in hopes for some it might spark a fond memory.

If you should happen to know when and where, let us know! We are sure many would be interested. Also if any of you have a very interesting "remember when" photo of Antioch and would like to share a memory or two with others, we will try to print it for you.

The Time Machine

70 YEARS AGO - MARCH 27, 1902

"Born to Mr. & Mrs. Herman Radtke, Tuesday, March 25, 1902, a baby boy."

"Elmer Stickles and family will next week move to the Savage house on Main Street."

"We had the pleasure the first of the week of visiting the H.N. Norton poultry farm at Grass Lake. Mr. J.W. Armstrong is the manager and experienced breeder there."

50 YEARS AGO - MARCH 30, 1922

The little four year old son of Ray Gates was lost in the big town hall woods on Wilnot road last Wednesday about dusk. A search party went out and he was found, unharmed, about midnight.

"Notice was received Monday by the Village Attorney, Eugene M. Runyard, that Antioch Special Assessment Docket Number Seven for the paving of Main Street was confirmed."

"Thursday night Emil Lubkeman dolled up to go to a surprise party which he thought was on Elvira and Beatrice Oetting, instead he enjoyed a party at his own home."

35 YEARS AGO - APRIL 1, 1937

"With more establishments doing business on Main Street and earlier inquiries from prospective summer resorters than have been seen since 1929, Antioch merchants and businessmen expect the coming resort season to be the biggest since the depression."

"Mr. and Mrs. Boyer Nelson celebrated their twenty-fifty wedding anniversary, Sunday, with a dinner for a number of friends and relatives."

25 YEARS AGO - MARCH 27, 1947

"Mary Agnes is the name of a girl baby born Saturday to Mr. and Mrs. Carl Gibson at St. Therese hospital."

It was decided by the Village Board Friday night to install parking meters on the downtown streets of Antioch. A contract was signed with the Duncan Parking Meter Co., to install them by early summer.

"Probably the severest snow storm of the winter occurred Monday afternoon and night tying up traffic in the vicinity of Antioch for two days."

10 YEARS AGO - MARCH 29, 1962

"Mr. and Mrs. Walter Shepard of Oakwood Knolls are the parents of their second child, a daughter named Karen Joyce, born Wednesday, March 21, and weighing six pounds, fifteen ounces."

"Stephen T. Chandler of Antioch has been selected for honorable mention and an alternate award as a result of his participation in the William Fletcher King Scholarship competition at Cornell College."

Congratulations to the ANTIOCH GRADE SCHOOL BAND who captured first place at Beach Park School in Zion. Hear that this was the 18th CONSECUTIVE win on the District level. Great! Keep up the good work.

Hats off to all the workers at the VIP dance. The gazebo sure was a work of art! Also the lifelike drawings of the watertower, St. Peter's Church, Gamble's store, and the Eckert home on Park Ave that were drawn by Mrs. Robert Gross. Everyone seemed to have ample to eat and drink, and lots of fun was had by all.

Good to see BEV SORENSON up and about on Sunday. Hear she had a siege with being sick. With her broken ankle, she has had her share of problems.

Our condolences to the ROGER ANDREWS FAMILY on the death of Roger's mother last week. It has been a pretty rugged year going back and forth to Rockford as often as possible.

I know of one baby who is going to enter this world with lots of well-wishers! Last Thursday, the 23rd, the Upper Grade School Choir director, MRS ROBINSON, was greatly surprised by her students who gave her a baby shower along with the concert. Before the concert started the BOYS gave her an orchid corsage and the GALS wheeled in a baby buggy loaded with gifts. After the concert Mrs. Robinson had to open the gifts in front of the audience. Best wishes!

TIM HARVEY had his "day" when he was visiting his grandma in Florida recently. He was able to choose where to eat and what to do, for one day. Bet everyone had fun with him! Sister DONNA and her girl friends are visiting "grandma" now. Mrs. Schippmann must really be in her glory with all the family visits.

The HAPPIEST person I know these days is BARB KUFALK. She and CLARENCE finally were able to get away for a "marvelous" vacation. Barb just glowed - telling about their long delayed trip to Mexico and ... They took a 3 week tour and really got to see how the people live. Looking like the picture of health and with such a lovely tan, - Can't think of a nicer couple to have it happen to.

Hope the rental agencies don't run out of crutches. Seems the epidemic isn't over yet. HARLEY WARE is having foot problems - and now TOM POERNICH has a broken ankle. Join the club with GERRI AMUNDSEN, BEV SORENSON & HELEN WEGNER. Maybe you can all get up a basketball team!

JOHNNY SCHMIDT, of Rosings Subd., son of MR & MRS GEORGE SCHMIDT, added another star for our town! Johnny took 1st place and won a gold medal in the YMCA Swim meet that was held in Downers Grove this past Sunday. The medal was won in the 9 yr old class - 25 yard free style. He also came in 6th place in the 50 yd free style. Over 46 communities participated. Congrats!!!

DAVID NEVELIER is here from sunny Florida to visit his brother BARNEY, and his sister, MRS ALBERT SHEPPARD. He is visiting with relatives in Wilmot at the moment, but plans to spend a few more days in Antioch. He has 4 daughters in Kenosha to visit with as well. David is freezing in this cold weather.

Happy Anniversary to LENA & BRUCE DALGAARD who celebrated 32 years this past Sunday, the 26th. Also to NORM & ISSABELLE CHRISTENSEN, of Grass Lake who will celebrate their 49th year of bliss on the 31st.

It's Official! Murphy, Duester, Walker Win

Candidates seeking their party's nomination to office had their moment of truth on Tuesday, March 21st. The elections which followed closely upon a Federal Court ruling that allowed voters to change party affiliation without the usual 23 month wait, featured a surprisingly heavy Democratic turnout; a

stunning upset over the "Daley Machine" and charges that the County Clerk may have been guilty of official misconduct.

Democrats came out of the woodwork Tuesday and together with Republican "cross-overs" looted Daniel Walker to the Democratic nomination for governor. Walker defeated Lt. Governor Paul Simon on a platform of economy and financial belt tightening.

States Attorney Jack Hoogasian leveled a host of charges against Lake County Clerk, Grace Mary Stern, in connection with ballot shortages in several county townships. When Democratic ballots began getting short, Mrs. Stern had more printed, but finally enlisted the use of sample ballots as a consequence of the unusually heavy Democratic turnout. Hoogasian later charged that the use of these ballots was illegal and had "created a legal problem."

While the governor's race provided a stunning upset, on the local level things went, more or less, according to plan.

In the race for state representative, William Murphy, of Antioch, and Donald Deuster of Sylvan Lake, out-poled two other candidates to win party nomination for the general election in November.

Murphy led the quartet with 13,381 votes, followed by Deuster with 11,900, Betty Lou Reed, in a surprisingly strong showing, with 11,120 and Earl Bruce Hansen with 5,926.

Murphy and Deuster have now earned the right to face Democrat Daniel Pierce, who ran unopposed, and a write-in candidate in the fall. (Editors Note: Under Illinois' multi representative system, three representatives will be sent to Springfield from each district.)

Four candidates ran unopposed in the races for State Senator and U.S. Representative. Incumbent Robert McClory(R), Bluff Lake, and Democrat Stanley Beetham(D) of Tower Lakes,

will square off in the fall for the right to represent the 13th district in Washington.

In the race for State Senator, two Deerfield residents: Republican Karl Berning and Democrat Steven Slavin, will attempt to fill the vacancy of retiring Senator Robert Coulsen.

Incumbents won re-nomination in the five races for County office.

Stephanie Sulthin drew 70% of the vote and easily outdistanced Republican challenger Walter Ciesla, for the post of Circuit Court Clerk. She will face Democrat Marion E. Wietor in November.

Incumbent County Coroner Oscar Lind easily won the Republican nod in his fight for renomination by defeating two challengers. Lind polled 13,448 votes, far out-distancing former coroner, Robert "Mickey" Babcox, who received 6,123 votes and former Sheriff Harold Scheskie with 5,605. Lind will face Democrat Marion "Red" Faber in the general election.

In the three other Lake County offices, Republican incumbent County Auditor John Darrow, Recorder Frank Nustra and States Attorney Jack Hoogasian ran unopposed and will face Democrats Ray Biondi, Ronald Wick and Kenneth Clark.

Grassroots politics was also at issue on the ballot. In the six precincts in Antioch Township, these were the results for the post of party Precinct Committeeman.

Precinct No. 1 - (R) Bernard Osmond - 240. No Democrat ran.

Precinct No. 2 - (R) James A. Olson - 175; (D) John W. Doyle - 79.

Precinct No. 3 - (R) Thomas F. Stafford - 48; No Democrat ran.

Precinct No. 4 - (R) Frank J. Benes - 199; (D) Richard Berger - 67.

Precinct No. 5 - (R) Leonard Case - 145; (D) John Muluc - 70.

Precinct No. 6 - (R) Elroy K. Anderson - 221; No Democrat ran.

Birthday wishes go to two who celebrate on March 29th together - MRS FANNIE LEMKER celebrates 84 years and GARY RUSH will be 18 on the 29th. Also happy to EDDIE POULOS who will be 6 on April 4th.

Happy birthday to RICH BAILEY who will be 18 on March 30.

Get well wishes to JOHN DOETCH who is recovering from recent surgery at Victory Hospital.

Get your kids up early for the Conservation Club's annual Easter Egg Hunt this Sat. at 11 a.m. Kids from 1 to 13 years old can join in the fun. The hunt will be at the Club headquarters just off Rt. 173.

Well, better be hopping down the bunny trail, and finish my shopping for the big bunny this Sunday.

THE PENCIL... The lowly pencil has been a favorite tool since graphite was first used in about the 1400s. Many of the "old Masters" like Albrecht Dürer, of "Praying Hands" fame, did complete graphite drawings as well as sketches and trials for paintings.

Today we have a wide range of pencils to choose from: writing pencils, from No. 1, soft, thru No. 4, very hard; and drawing pencils, as used by draftsmen, architects, and artists, identified with "H" for hard and "B" for soft. The range in these is usually from 6 B to H with an HB as medium. The leads vary in thickness:

Therefore the softer pencils give a broader line and need to be sharpened oftener to produce thin lines, and soft pencils produce darker values than hard pencils. With these variations in mind, let us proceed to use the pencil to its best capabilities.

First round up all the pencils you can find in the house. You might as well look for a variety of papers, too. Now for a warm-up. Do pages of patches and doodles as here suggested.

Vary the pressure to find the full range of values each pencil will produce in a single patch.

On rough paper you can expect a more grainy effect as the leads ride the tooth of the paper. Hard surface paper will allow for smooth areas and sharper lines. Within a single line vary the pressure and see the dark accents appear. Dark lines can be shadows and light lines highlights on an object, as in the following sketch.

Caution should be taken in using the pencil on its side, or rubbing and smearing, to produce smooth shading. It would be better to work in charcoal or chalks for this effect. A pencil is a pointed tool and should be so handled - that is with lines. For extremely smooth shading mesh lines as shown enlarged here.

Do allow a little white of the paper to show through occasionally as it gives interest in dark areas.

After your pages of warm-up, begin to draw textured objects, such as a sponge, a brick, a spool of thread. Use a variety of pencils so you can achieve a wide range of values. Avoid erasing as erasers burnish the surface of the paper and may produce dark blotches. If you draw lightly with a hard pencil first, then work up to your darks, you will reduce the need to

erase as you cover over light errors.

Keep in mind two things: namely, that the direction of your strokes should describe the direction of the contours and the planes of the object; and that the kind of stroke or smooth areas should describe the texture of the objects. To

keep your drawings from smearing in handling, it is wise to spray them with fixative or hair spray.

Happy Drawing.

Next Week: OF BIRDS AND ANIMALS

ARREST SHOPLIFTER

Frank C. Risch, 76, of Bristol, Wisconsin, was arrested on Friday, March 24th when he attempted to shoplift items valued at \$7.82 from the Ace Hardware in Antioch.

Risch was able to post bail and will appear in Branch No. 3 Court in Fox Lake on April 26th.

Antioch Grade School Band Scores 18th Win In District Competition

For the 18th year, young musicians of the Antioch Grade School Band turned in a sterling performance and returned home with a First Division rating in their collective pockets. The occasion was the 1972 District Band and Orchestra Contest sponsored by the Illinois Grade School Band Association. The victory puts another gold medal on the green and white uniform of band members and entitles them to participate in the state competition to be held later this spring.

The event was hosted by the Beach Park Consolidated Schools, Zion. Twenty-five bands and orchestras representing the finest of northern area communities, played three selections each before a triumvirate of musical judges. The Antioch Band, under the baton of George Olisar, performed **SUNBURST** by Osterling, **VENETIAN HOLIDAY** by Olivadoti and **BELMONT OVERTURE** by Hermann.

Many parents and well-wishers were in the rooting section. While to prejudiced ears almost any offering would have been prizeworthy, the comments of the judges offer the best criterion for estimating the

true value of the grade school musical program. One such comment is especially worthy of inclusion here. It is from Mr. Frank Laurie, a judge at the contest and also Illinois Supervisor of Musical Education.

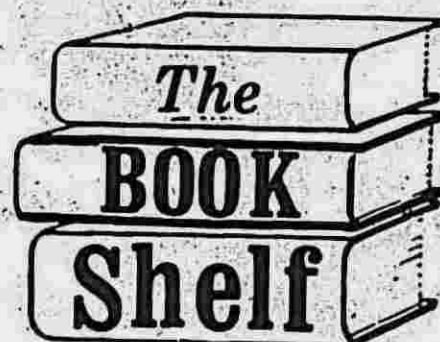

On his official scoring sheet, Mr. Laurie awarded the Antioch Band a perfect score and added the following

personal observation: "My sincere congratulations for a musical presentation. I heard music by this band, not just notes. This is the result of expert guidance - and let's face it - good response by the students. There are no major problems in evidence, but there are many,

many strengths in evidence . . . I sincerely hope the school and community appreciates the instrumental music program of the Antioch elementary schools. Each year I have the opportunity to listen to the band, I am more impressed with the musicianship expressed

by the students. . . And a hearty and sincere thanks must always be beamed at the leader. He's tops in his field."

A hearty second to Mr. Laurie's comments. Congratulations to the band members for a job well done and the best of luck at the State Contest!

THE ART AND TECHNIQUE OF SOARING, by Richard A. Wolters. Drawings, photographs, and practical instructions offer the novice guidelines in operating sailplanes, revealing the hazards and challenges of this sport.

MALICIOUS MISCHIEF by Lesley Egan. A telephone call reporting a homicide sends Charles O'Connor and Vic Varallo on an investigation of the murder which presents a number of surprising problems.

MEETING WITH A GREAT BEAST by Leonard P. Wibberley. Relates an Englishman's determined quest for an infamous elephant in the dense wilderness of French Equatorial Africa.

Library hours are from Noon to 9:00 P.M. Saturday 10:00 A.M. to 5:00 P.M. Too much hubub at home? Relax, you will be able to concentrate in one of the study carrels available at all times.

All-electric living makes mobile homes completely modern.

A mobile home can't be completely modern when it has an unsightly storage tank, piping and chimney. Or the odors that come from combustion.

So more and more subdivision and individual mobile home owners are turning to all-electric living.

Electric heating is clean and quiet, and there's no flame to worry about. It's as safe as a light bulb.

And because all-electric mobile homes are better insulated, you have better year-round comfort. A modern way of life should have modern power. Mobile homes and electricity were made for each other.

Social Notes

by: Del Jahneke

"Pretty pillow-cases and pillows, all hand-made; candles, crocheted slippers, stuffed animals, colored, perfumed bath salts and necklaces; plus delicious home-made bakery goods and candy!" Where can you find all these goodies and buy some? Come to the Bazaar and Bake Sale of the Girl Scout's Cadette Troop No. 213, to be held at the State Bank of Antioch, April 1st, from 9:00 A.M. to 3:00 P.M. According to their leader, Mrs. Richard Maston, this troop is holding this bazaar and bake sale, to raise funds for a train trip to Chicago, a brief stay at the Palmer House, and visits to the Field Museum, Art Institute and other points of interest. C'Mon, you nice people! Let's help these industrious young ladies realize their dream of a short stay in the Big City! Be sure to drop in at the State Bank April 1st!

Mrs. Frank Kennedy, N. Main St., Antioch is now home, after having spent several weeks at Victory Memorial Hospital. A speedy recovery is wished her! Just can't have anyone ill with "Spring just around the corner" - notice I didn't say what corner!

Mrs. Robert Januanas, of Waukegan, the former Margaret DeVries of Antioch, underwent serious throat surgery last week at Victory Memorial Hospital. She is now convalescing at her

Waukegan home, and get well cards from her Antioch friends will surely be welcome!

Some 36 ladies really surprised Mrs. George (Barb) Sorenson, when the Women's Missionary Society meeting she was attending at the Antioch Evangelical Free Church on Monday, March 20th, became instead a very lovely shower for her and her baby-to-be. Cheerful colors of yellow, white and green transformed the gym into a gay, refreshing spring-like atmosphere. The Women's Bible Study Class were part of the group when "Barb" received many useful and beautiful gifts for her first baby. Appropriate Devotions were given by Mrs. Alan Knutesen. Hostesses responsible for this pleasant surprise were Mrs. Robert Anderson, Mrs. John Handschiegel, Mrs. Philip Thiele and Mrs. Lyle Wilson.

"Frou-Frou - Little Rabbit" was the title of the play performed by the Junior Girl Scouts Troop No. 204 for their families and friends on March 17th, at the Antioch Scout Home. Mrs. Jerry Frenchik,

their leader, and Mrs. Ralph Scaffer, co-leader; say that their girls are looking forward to "Arbor Day" on April 22nd. On that day, the Illinois Conservation Club will be hosting some 100 boy and girl scouts on their annual outing to Kettle Moraine Park in Wisconsin. The Club hires a bus, and provides food for their young guests. At the park, they will plant a tree in honor of Arbor Day, give a talk on conservation, and the remainder of the day will be spent in hiking through this unique and beautiful park.

Area Students On Dean's List

Dean's lists for nine academic colleges and the Institute of Aviation of the University of Illinois at Urbana - Champaign for the 1971-72 fall semester were announced today by Director Richard R. Marsh of the University Honors Programs.

Among the 10,560 honored students named from this area are: Bonnie Bobzien, Antioch; Kathleen Chase, Antioch; Patricia Guzowski, Antioch; Laura Oftedahl, Antioch; Elaine Wells, Antioch; Maureen Rooker, Antioch; James Moore, Lake Villa - The College of Liberal Arts and Sciences. Renee Bobzien, Antioch and Elizabeth Moore, Lake Villa - The College of Education. Heather Hunley, Antioch - The College of Agriculture. Peter Chmelir, Lake Villa - The College of Engineering. Thomas Nickerson, Lake Villa - The College of Commerce and Business Administration.

To be eligible for the Dean's List a student must be registered for 14 hours credit in the University and achieve a grade average of 4.0 or higher (A equals 5, B equals 4). A list is prepared for each college.

MARINE Pfc.

ROY S. METZEL

Marine Pfc, Roy S. Metz, son of Mr. and Mrs. Bernard E. Metz of Route 3, Antioch, Ill., has reported for duty at the Marine Corps Base, Camp Lejeune, N.C.

HOME-TOWN NEWS

USS COOK AIDS BRAZILIAN FREIGHTER

March 20 a distress signal was received by the radio room about the same time lookouts sighted a column of black smoke on the Caribbean horizon. A Brazilian freighter had exploded, was afire and was going down, and the Navy's newest destroyer escort, the USS Cook, with Petty Officer Third Class James M. Grubb, husband of the former Miss Karen S. Swim of Route 1, Antioch, Ill., aboard, sliced through the tropical waters to conduct her first search and rescue operation since commissioning in Dec.

When his ship arrived on

scene the burning hulk had been abandoned and the crew picked up by a Swedish ship which was nearby at the time of the explosion. The Cook dispatched a medical team to board the Swede and care for the injured Brazilian crewmen and stood by the blazing freighter for hours in case any crew had been left aboard.

The injured had been cared for and nothing more could be done, so after a final dangerously close pass by the sinking freighter, Grubb's ship continued her journey around the horn to a new homeport at Long Beach.

RICHARD A. WICKARD

Richard A. Wickard, son of Mr. and Mrs. Harold L. Dobson, 409-A Woodbine, Antioch, Ill., has been promoted to airman first class in the U.S. Air Force.

Airman Wickard, an aircraft maintenance specialist at Reese AFB, Tex., serves with a unit of the Air Training Command which provides flying, technical and basic military training for USAF personnel.

The airman is a 1969 graduate of Antioch Community High School. His wife is the former Vicki L. Morrison.

Fred C. Walpole On Distinguished Student's List

Distinguished student rank was achieved by 2,922 students at Purdue University during the first semester.

The list represented the top 14 per cent of the 20,514 undergraduates on the West Lafayette campus.

The list released by Registrar Nelson M. Parkhurst included 640 students with straight-A records in their semester's work toward bachelor's or associate (two-year) degrees. This number represented

slightly more than 3 per cent of the undergraduate student body.

To qualify for distinguished rating, a student must have a grade index of at least 5.5 (B plus) out of a possible 6.0 (A) in at least 14 hours of academic credit and have no grade below C (4 points).

Fred C. Walpole of Garys Drive, Antioch Illinois, a freshman in engineering has been named to the distinguished students list.

american legion auxiliary news

"HARAMBEE! LET'S WORK TOGETHER IN KENYA!" asks Mrs. Richard Brown of North Chicago district foreign relations chairman of the 10th District American Legion Auxiliary. Every year, the national organization selects a foreign country to both study and aid monetarily, or assist in needed civic projects.

Kenya, an independent republic lying on the equator in East Africa, is the country this year. "As we go on safari by road or rail from Mombasa on the Indian Ocean to Nairobi, the modern capitol, we see a land that is full of changes - of landscape, climate, people and wildlife. The northern half is a vast, arid region with the people herding their cattle on open plains, in a search for grass and water. Nearly 85% of the population and practically all of the economic production is concentrated in the southwestern Kenya. The people's economy depends largely on agriculture, with the average annual income at \$52.00, and with 36% of the people unemployed. Cash crops are coffee, tea, sisal, maize and cotton" Mrs. Brown continues.

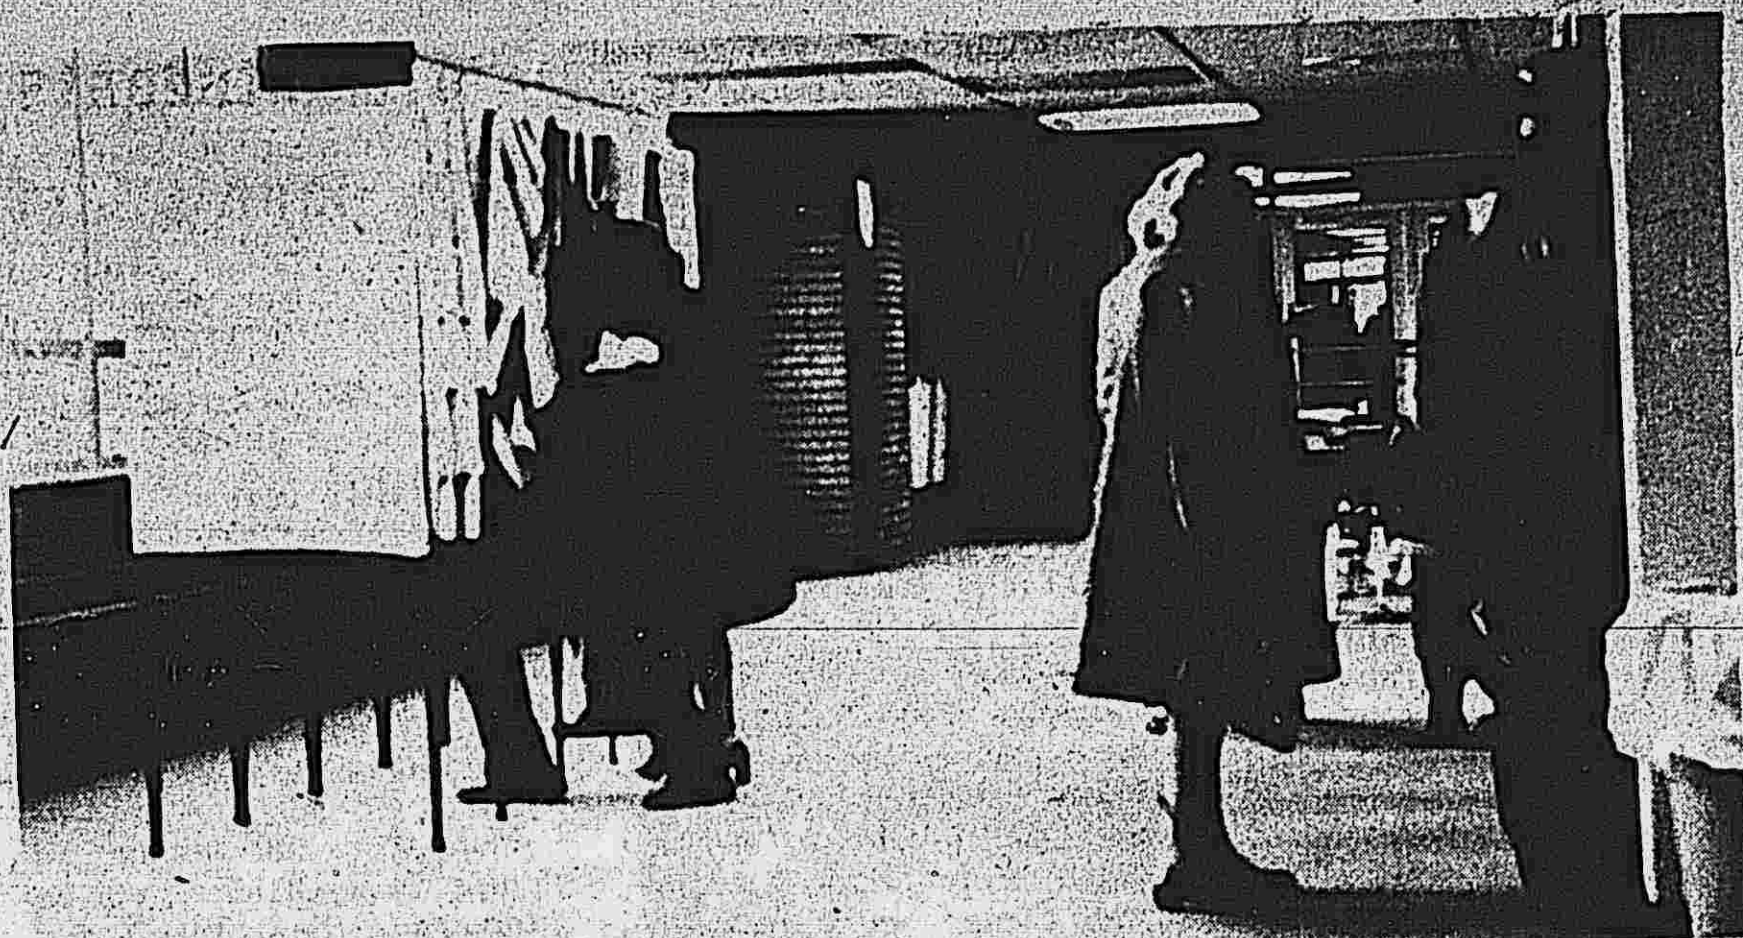

"The American Legion Auxiliary is working with CARE, INC. to reach 'new horizons' with these rural indigent people. Contributions will aid in building nursery schools and feeding centers. New health centers will be a factor in lowering the mortality rate, and increasing the life expectancy of the populace. Water systems will be constructed for drinking water as well as irrigation." Mrs. Brown urges the Units to please be generous with their donations to this worthy program.

For those Auxiliary members interested in improving their knowledge of Kenya, and enjoying contest competition; there are several contests. One is a travelogue contest on an imaginary trip entitled "My Visit to Kenya" for both senior and junior members in separate classifications. There is a scrapbook contest, "Kenya-Land of Contrasts"; and there is also a doll dressing contest for junior members only. The regulation doll must be dressed in an original, authentic and native style dress, hand-made by the competing junior.

The Antioch American Legion Auxiliary always has a program on whatever country the Auxiliary is sponsoring - usually, obtaining a colored film and narrative. This year's foreign relations chairman, Mrs. Bernard Stadick, states that the Antioch Unit has always contributed to CARE, INC. for needed aid. Mrs. Stadick will be reporting on Kenya in the near future.

On April 3rd, the Antioch Unit will be holding their regular meeting at 8 P.M. at the Antioch American Legion Home. Mrs. John W. Horan, President, will conduct the meeting. There are a number of reports to be heard. Mrs. John L. Horan and Mrs. Ray Rathmann will tell of the 2nd Division Membership Rally, held in Leaf River, March 5th; and Mrs. William Dowden, children and youth chairman, will give the members information on the 10th

District children and youth meeting, held March 19th, at the Homer Dahringer American Legion Home in Waukegan. The women attending the State Patriotic Conference on March 23rd, held at the Sherman Hotel, Chicago, will tell of this event.

Some of the many persons who turned out Saturday, for the high school referendum, cast their ballots in the school's commons area. (Staff Photo)

Homemakers Meet

The Lakes Region Homemakers held their monthly meeting at the home of Mrs. Richard Wells on Wednesday evening March 15th.

Newly elected officers of the Club are: President, Mrs. Ann Connors; 1st Vice President, Mrs. Jean Proctor; 2nd Vice President, Mrs. Barbara Miller; Sec-Treasurer, Mrs. Pat Serwa.

A short business meeting was conducted and Dolly Sakiewicz was introduced as a new member. Plans were also discussed about the 40th Annual Banquet of the Lake County Extension which will be held April 26th at the Chevy Chase, in Wheeling.

All members are urged to attend the luncheon as our unit along with 2 others from the county will be hostesses.

The organization meets every 3rd Wednesday evening, once a month, to discuss and learn many new and exciting things pertaining to the home. The club is always open to new members, and if you would be interested in joining please call Barbara Miller at 395-2611 for more information.

ABBOTS DECLARES DIVIDENDS

Directors of Abbott Laboratories today declared a regular quarterly dividend of 27½ cents on each outstanding common share and 50 cents on each of the outstanding Series A preferred shares.

Both dividends are payable May 15, 1972 to shareholders of record April 21, 1972.

SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another: companionship; fellowship; connection; participation.

Betty Wurster On Panel At Spring Conference For Women Bankers

Mrs. Betty Wurster, Auditor, State Bank of Antioch, Antioch, will be featured as a panelist at the Spring Conference of the National Association of Bank Women, Inc., Illinois Group, to be held at the Ramada Inn, Peoria, Illinois on April 4-5, 1972.

Mrs. Wurster will speak on a phase of Personnel, selection, retention and problems, under the general theme of the conference, Varieties In Banking.

Assistant Cashiers Janice Hunt, Rosemary Eckert and Jean Rockow from the State Bank are all members of the

National Association of Bank Women and will be attending the Spring Conference with Mrs. Wurster.

More than 100 women, all Illinois Bank Officers, will be attending the two day conference.

Besides a presentation of the NABW Office services and activities the featured speaker will be August Yount, special agent of the Illinois Bureau of Investigation, Springfield, who will speak on Narcotics and the Law, to promote a better understanding of the drug problem which is affecting a growing segment of the banking public.

Another highlight of the Varieties In Banking Program will be a talk on International Banking by Norman Plagge, international banking officer of the Northern Trust Company, Chicago. He will relate international banking to the smaller banks for import-export customers.

Officers of the National Association of Bank Women, Inc., Illinois Group, are Miss Evelyn Moore, probate officer and assistant secretary LaSalle National Bank, Chicago, chairman, Miss Evelyn Stuckie, vice president, Union National Bank and Trust Company of Elgin, Elgin vice chairman, and Miss Irene Keith, assistant cashier, Oak Park Trust and Savings Bank, Oak Park, secretary-treasurer.

MILLBURN CHURCH

DINNER SET

A cafeteria spring luncheon will be served to the public by Millburn Ladies Aid of the Millburn Congregational Church at noon Thursday, April 6 in the church dining room. Mrs. Carl Anderson is chairman assisted by Mrs. George DeYoung.

VFW Auxiliary Purchases Outdoor

Flag For Upper Grade Center

Sequoia Auxiliary Veterans of Foreign Wars held their regular meeting on March 20th. Poppy chairman Laura Swanson reported Poppy Day would be May 26th and 27th. A donation to the Heart Fund and the Illinois Cottage Repair Fund was made. It was voted on to buy an outdoor flag for

the Antioch Upper Grade School. National President Frances Harmon made her visit to Illinois and was honored in Chicago on March 17 and 18th. Refreshments were served by Ellen Flint and were enjoyed by all. The next meeting will be April 10th - new officers will be elected.

"ONE WOMAN THEATER"

AT NEXT WOMEN'S CLUB MEETING

The next meeting of the Antioch Woman's Club will be on April 3. The program will be "One Woman Theater", presented by Miss Muel Bach. She is a graduate of Northwestern University School of Speech. Miss Bach does her own research and writes her own material. She does her costume changes and make-up before the audience. Her subjects are the mothers of such famous people as John Wilkes Booth, the Wright Brothers and Chandl.

Miss Bach appears before

colleges and universities and tours from coast to coast. It should be a most interesting program.

PM&L WORKSHOP

TRYOUTS

Tryouts for the workshop production of excerpts from FINIAN'S RAINBOW will be held on Monday and Tuesday, April 3 & 4, at 8 p.m. at the Theatre on Main Street.

As well as actors for the production, a piano player is needed.

Rhythm Band Entertains Women's Club

The regular meeting of Antioch Woman's Club was held on March 20. A short business meeting was held. Mrs. Don Mentone was voted Program Chairman for the club year of 1972-73. An announcement was made concerning the annual tour. It will be on April 17. A tour of the John Hancock building will be followed by luncheon at the Kon-Tiki in the Sheraton hotel.

A representative from the Ecology Club of the High School gave a short talk. She explained some of the projects that they have worked on such as glass collecting, arranging for

speakers to talk to the students and sending out sheets with general information to the public.

Mr. Wm. Brook, Mr. Albert Dittman, Mr. Kenneth Smouse and a High School student discussed the High School referendum to be held on March 25th. Members of the Woman's Club entered the discussion.

Mrs. Don Mentone presented as the program, the First Grade Rhythm Band from St. Peter's School, under the direction of Mrs. Laura Young their music teacher. In their little costumes they entered and left the room playing their instruments. The

program included songs, finger plays and dances. In the action song, "Let's Join Hands," they invited the audience to participate in the number with them. The children seemed to enjoy themselves as much as their audience did.

Mrs. Edward Abderholden and her committee served refreshments.

Women of the Moose

On Thursday, March 16, the regular business meeting was called to order.

The first order of business was the draping of the charter in memory of Muriel Wojtanek, who passed away on March 6.

After minutes and correspondence were read, the March birthday march was made by Senior Regent Judy Page and co-worker Donna Nettles, also Pearl Anderson marched in honor of her forty-ninth wedding anniversary.

The next meeting will be on Thursday, April 6th at 8:00 P.M.

Explo '72 Preview Film To Be Shown Here

EXPLO '72, the International Student Congress on Evangelism, will be the subject of a 20-minute, color film to be shown on April 2, at 6:00 a.m. at the United Methodist Church of Antioch.

EXPLO '72, short for "Spiritual EXPLOSION 1972", will be held June 12-17, 1972, in Dallas, Texas, and is being sponsored by Campus Crusade for Christ International, headquartered in Arrowhead Springs, California.

Upwards to 100,000 college and high school students, lay men and women, and clergy are expected to attend the Congress and be trained in how to share the claims of Jesus Christ with others and how to experience the abundant

Christian Life.

Evangelist Billy Graham, Honorary Chairman for EXPLO '72, describes the Congress in the film as what "could be the most significant and historic student gathering of our century". Graham and world Christian leaders will be major speakers at the weeklong gathering.

The EXPLO '72 film will be shown in the Easter Sunrise service that is sponsored by the United Methodist young people. All ages are welcome to attend the morning service which will be followed by a Continental breakfast. The Sunrise services have become quite popular in the church and have, in the past, reaped a good sized congregation.

PTA Art Fair At April Meeting

The Antioch Community High School PTA will hold their final meeting of the 1972 year, on April 12th at 8:00 p.m. in the Commons.

All parents AND STUDENTS are invited to attend, as this will be the second Annual Art Fair featuring different forms of Art work done by the high school students. Ribbons will be given out for first, second, and third place. Over 80 entries were submitted last year, and it is hoped there will be even a better response this year.

The teachers that head up

the 10 educational departments, will be there to explain a little bit about these departments. They are, English, math, science, industrial art, home economics, social studies, Business ed, P.E., Fine Arts, and foreign language.

There will also be some discussion on the referendum, what it will mean to the parents, teachers, and students.

Installation of the new officers will take place also, and refreshments will follow. Mark the date on your calendar, and bring a friend.

Oakwood Knolls Sponsors Spring Dance

A Spring Dance sponsored by the Oakwood Knolls Property Association will be held Saturday, April 15th, from 9:00 P.M. to 1:00 A.M. at the American Legion Hall.

A gala evening is being planned by dance chairman, Joan Olson, and their committee. Music will be

provided by the Cinn-a-men. A delicious buffet will be served during the evening and door prizes will be awarded.

Tickets are \$1.50 per person and may be purchased by calling either Mrs. Priko at 395-0137 or Mrs. Olson at 395-3265. Tickets may also be purchased at the door.

"Westward Ho!" Supper And Dance

St. Therese Hospital's Mother Leonarda Auditorium on West Washington St., Waukegan, will be decorated in a "country-western" theme for a supper and dance on Saturday, April 8, at 7 P.M. The public is invited.

The covered wagon, fences and pony corral will make the wagon train a delightful setting for an evening of fun and entertainment.

*Guests are invited to wear casual or country-western dress and enjoy a "chuck-wagon" supper at 8 P.M. followed by music, entertainment and dancing.

Mrs. Rita Hollingsworth, director of the Holy Child High School Senior Class Musical, "Wizard of Oz" will present excerpts of it for our pleasure.

A square dance demonstration is also in the program.

"Westward Ho!" has been planned by St. Therese Hospital Auxiliary President, Mrs. Jack T. Serdar and Mrs. Albert Blaha, general chairman; assisted by Mrs. R.M. Adelman, decorations; Mrs. Wayne Flanigan and Mrs. Bertram Weisenberg, tickets; Mrs. Wm. Cote, supper and refreshments; Mrs. Edw. Leslie, hostesses; Mrs. A.J. Borre, games; and Mr. Paul Zweifel and Mrs. Chas. Patterson, publicity; and their committees.

All proceeds will go to the building fund of St. Therese Hospital where a complete remodeling and expansion program is in final stages of accomplishment. Tickets may be purchased at the door.

Conservation Club Sponsors Easter Egg Hunt

The Northern Illinois Conservation Club will sponsor its annual Easter Egg Hunt at 11 A.M. on Saturday, April 1, 1972 at the Club headquarters just off Illinois Route 173 about 2 miles west of Route 59.

This annual event has, in previous years, attracted upwards of 400 children and again this year youngsters (ages 1 through 13) will be eligible to hunt for eggs and receive prizes as provided in special prize eggs hidden in the woods. Searching groups will be divided into ages 1 to 3 years, 4 to 7 years, 8 to 10 years and 11 through 13 years with suitable prizes being awarded in each group based upon notations contained within the prize eggs.

Coffee and rolls will be available during the Hunt and throughout the afternoon.

The Club's trap range will be open for use by members and guests for the remainder of the afternoon and instruction and information concerning this type of sport will be available through Club members and officers.

The Northern Illinois Conservation Club is a non-profit organization dedicated to the interest of conservation in Illinois and the U.S. generally; its efforts are devoted to a better understanding of the fish and game laws and wildlife management; it endeavors to instill in the minds of members

a love for the outdoors and enduring respect for law enforcement and a desire to cooperate with those conservation groups having a common purpose; it sponsors legislation designed to aid in the development of conditions which tend to increase and save for posterity an abundant fish and wildlife population and recognizes the rights of property owners in the promotion of good fellowship among all sportsmen.

Because of the current increasing public awareness of environmental preservation, the Club is opening its membership to all citizens who are similarly motivated. For further information concerning the Club activities, interested persons may contact Mrs. Nancy Riley, assistant Club secretary, 529 West Woodland Avenue, Round Lake, Illinois, telephone: 546-8809.

SEQUOIT SMOKE Signals

One more day of school left and then Easter Vacation! This year its the longest its ever been, 6 school days plus 2 week-ends for a grand total of 10 days!!! We are all happy about the vacation but this is also a time of rejoicing because of the events that took place on these days long ago. Amid all the celebrating, I hope we all take time to thank God for the miracles of Easter.

The ACAPPELLA CHOIR presented its Spring Concert on Saturday evening, March 25, at 8 P.M. in the auditorium. Solos were also done by CAROL WELLS and SUE BALL. They did a very good job! The whole choir performed nine numbers and the SWING CHOIR, a smaller group made up of selected members from the large choir, sang five songs. The attendance was not too good for the event, seeing as there were many other conflicting events in our town that night, but I am sure everyone that was there enjoyed the fine music.

The SENIORS took a trip to the Lake County Fair

Grounds last Wednesday for the annual CAREER DAY exhibit. Many different companies and branches of the armed services were represented. The day was very valuable to all those Seniors who are trying to decide on a career right after they graduate.

The ATHLETIC BANQUET sponsored by the Lions Club was held Monday night in the cafeteria. The awards that have been earned so far were given out and lots of healthy appetites were satisfied.

The TOM TOM staff manufactured another great issue of the school paper, Friday, and the YEARBOOK people are once again selling the pictures they are not using in the book so be sure to check them out 4th hour in the Commons.

Have a Happy Easter
Barb

"The best way to help your youngsters with their homework is not to."

Prizes Awarded for Biggest Loss

Tops Chapter Illinois No. 328, Antioch, Illinois held its weekly meeting at Halsman's Resort, Lake Marie.

The meeting was called to order by Audrey Strauss, leader, of Camp Lake, Wis., with 12 members answering roll call.

Charms were awarded to the officers finishing their year of service. Prizes were awarded to the best losers. Elvina (Marge) Bucher, Lake Marie, received the Queen of the Week award and tied with Lois Svendsen for Queen of the Month and winner of the money in the biggest loss contest.

A vote of appreciation was given to the owner of Halsman's Resort, Lake Marie, for allowing us to hold our meetings there since January 1st.

The next meeting will be Installation of Officers held on April 6th at the P.M. & L. Little Theatre building.

Obituaries

IVAH R. ARONSON passed away Saturday March 25, 1972 at the age of 92 years, in Victory Memorial Hospital, Waukegan, Illinois. Ivah Aronson was born in Channel Lake, Illinois on May 21, 1879, the daughter of the late George and Clarissa Clark. Mrs. Aronson was the first mail carrier in the Channel Lake area, at the age of 18 she picked up the mail at the Antioch Postoffice by horse and buggy and delivered it daily.

Mrs. Aronson has two sons - Gordon Smoak with whom she lived, and Roy Aronson also of Channel Lake, 13 grandchildren - 13 great grandchildren and 2 great-grandchildren. Living nieces are Mrs. Buelah Lathrop of Portland, Oregon, Mrs. K. Olive Readel of Rockford, Illinois and Mrs. Addie M. Smith of Mississippi.

She was preceded in death by her husbands, Andrew W. Aronson and Samuel R. Smoak and two daughters - Lilla V. Baxter of Channel Lake and Dorothy V. Aronson of Antioch, Ill.

Funeral services were held Tuesday March 29, 1972 at 2 P.M. at the Barr Funeral Home in Antioch. The Rev. T.A. Bessette officiated. Interment was in Hillside Cemetery in Antioch.

MISS DEBRA-ANN MARTEN - 5 yrs old of Bristol, Wis. passed away on Wednesday March 22nd at Milwaukee childrens Hospital in Milwaukee, Wis. after a long illness. She was born August 23, 1966 in Kenosha, Wis and had lived in Bristol all of her life. She attended the special education school at St. Johns Church at Twin Lakes.

Surviving are her parents Eugene R. & Jeanette M. Marten of Bristol, Wis. whom are the owners of Mertens Bristol Garage. Three brothers Fred, William & Eugene Marten (all at home) - maternal grandmother Mrs. Marcella M. Schaller (Kenosha, Wis.) - paternal grandmother Mrs. Jeanette S. Marten (Kenosha, Wis.)

A funeral mass was held Saturday, March 25th at St. Peter's Church in Antioch. Interment was in St. Scholastica Cemetery near Bristol, Wisconsin.

MR. RICHARD A. LIBOWSKI - 22 years old of 305 Hill Court (Oakwood Knolls Subdivision) Antioch, Ill. passed away suddenly at his home on Thursday, March 23rd. He was born on August 28, 1949 in Waukegan, Illinois and had resided at Highland Park, and Grayslake, Illinois before moving to the Antioch area in 1967. He had attended K.T.I. and the University of Wisconsin for 1 year. He had been employed as a filling station attendant.

Survivors are his parents Joseph J. & Lillian Libowski (Antioch) & his maternal grandmother Mrs. Pearl Jordon (Rensselaer, Indiana)

Funeral services will be held at 2 P.M. on Saturday March 25th at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the United Methodist Church of Antioch officiated. Interment was in Hillside Cemetery in Antioch.

MRS. EMMA M. LANGE - 93 years old of Bluff Lake, near Antioch, Illinois passed away on Saturday March 25th at her home. She was born January 26, 1879 in Chicago, Illinois and moved to Norwood Park Twp in 1907 where she and her husband operated a farm for 18 years. She moved to Antioch on November 20, 1965. She is a member of Faith Evangelical Lutheran Church in Antioch.

Survivors are 2 sons - John W. Lange (Antioch) and Paul H. Lange (Northbrook, Ill) - 4 daughter-in-laws - Hulda, Margaret, Laura and Clara Lange - 4 sisters - Mrs. Ida Lindemann, Mrs. Anna Holck, Mrs. Dorothy Krause, and Mrs. Louise Smejkal - 4 grandchildren and 6 great grandchildren.

She was preceded in death by her husband John C. Lange on March 20, 1925 - 2 sons Henry F. Lange on Nov. 17, 1967 - August Lange on Jan. 31, 1970 - 1 sister Mrs. Minnie Lange - 3 brothers, Henry, Frank and Herman Willig.

Funeral services were held at 2 P.M. on Wednesday March 29th at the Faith Evangelical Lutheran Church in Antioch. Rev. Kent Schroeder officiated. Interment was in St. Paul's Evangelical Lutheran Cemetery at Skokie, Ill.

MRS. MATTIE "META" LUDWIG - 90 years old of Felters Subdivision near Antioch, Illinois passed away on Sunday March 26th at Victory Memorial Hospital. She was born on February 15, 1882 in Germany and came to the United States at the age of 11 years to reside in Chicago until moving to Antioch in 1962. She is a member of Order of Eastern Star in Chicago. She married Herman Ludwig on Sept. 1, 1910 in Chicago and he passed away on June 9, 1963. One daughter Mrs. Ruth Gibbons passed away on October 19, 1965.

Survivors are 2 granddaughters Mrs. Gail (James) Mach (Antioch) - Mrs. Lorraine (Dennis) Sheehan (Barrington, Ill.) and her son-in-law Clarence Gibbons (Antioch).

Funeral services were held at 1 P.M. Tuesday at the Strang Funeral Home in Antioch. Rev. Donald Cobb officiated. Interment will be in Waldheim Cemetery at Forest Park, Ill.

MRS. JESSIE B. RUNYARD - 88 years old of Rock Lake Highlands Subdivision near Trevor, Wisconsin passed away on Sunday March 26th at Victory Memorial Hospital. She was born on May 6, 1895 in Salem Wisconsin and moved to Antioch, then to Trevor. She is a member of the United Methodist Church at Antioch and the Lakeside Rebekah Lodge No. 82 in Antioch. She married Charles R. Runyard and he preceded her death on October 8, 1948, also 5 sisters preceded her in death.

She is survived by 1 daughter Mrs. Mary Longman (Trevor, Wis. with whom she made her home) 2 sisters - Mrs. Edna Cable (Antioch, Ill) and Mrs. Reta Krull (Beloit, Wis.)

Funeral services will be held on Thursday at 1:30 P.M. at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the United Methodist Church will officiate. Interment will be in Grass Lake Cemetery. Friends may call after 3:00 P.M. on Wednesday at the funeral home.

County Board Showdown April 4

On Tuesday, April 4th, Five democrats, five republicans and an independent will square off for the five open spots on the Lake County Board from District 4.

The Republicans are, George Bell of Mundelein, Ronald Coles of Lake Villa, Norman Geary of Grayslake, Lloyd Murrie of Antioch and Harry Robin of Grant Township.

Democrats are Richard Berger of Antioch, Hal Kaiser of Round Lake, Ralph Montrimas of Lindenhurst, Carl Seaholm of Grayslake and William Turner of Antioch.

Lone independent candidate on the ballot is Joseph Bogacz of Round Lake.

The election is a result of a recent Supreme Court ruling, which called for equal population in governmental

districts and led to the reapportionment of a six township area into a district containing the same number of townships, but only five representatives.

Many people feel that because this is the third election in as many months, the voter turnout will be slim. However, political insiders have said the intense local interest will probably bring voters out in large numbers.

There is also speculation that this election may be a sounding board for the effect the March 21st primary had on party loyalty. In the primary, hundreds and perhaps thousands of Lake County Republicans fled the party to vote for the independent Democratic gubernatorial candidate, Daniel Walker, and against current Governor Richard Ogilvie. If many of

these Republicans do not return to the ranks of the G.O.P. it may be an upset of even greater proportions than Walker's win over organization candidate Paul Simon.

Another factor of interest to Republicans is the three entrants from Antioch involved in the election. Local Republican Lloyd Murrie may face a tough challenge for reelection as Democrats Richard Berger and William Turner could take away from his vote total. The five winners will be decided by total district vote. If the two democrats cut in on Murrie's local support, he may be put in a precarious position.

In any event, political commentators across the state will be looking with more than idle curiosity at the results.

JOHN TOWNER TO SPEAK AT BOARD OF REALTORS

The Waukegan-Lake County Board of Realtors will have their monthly meeting on March 27, 1972 at the Black Angus Restaurant in Gurnee, Illinois. Mr. John H. Towner, G.R.I. Executive Vice President, Continental Real Estate, Incorporated will be the guest speaker.

Mr. Towner was formerly a District Vice President for the Illinois Association of Real Estate Boards in this area. He

has served two terms as President of the South Suburban Board of Realtors and has received his B.S. Degree in Social Science from Michigan State. He started his education at University of Texas where he majored in Business Administration. His Master's degree is from the University of Illinois. He is on the faculty of Prairie State College, teaching on Real Estate and is certified to use the designation of GRI, one of the highest attainments in residential real estate practice.

REFUNDS DELAYED

Roger C. Beck, District Director of Internal Revenue for Northern Illinois, said today that many taxpayers claiming casualty or theft losses are experiencing delays in the processing of their Federal Income Tax returns. This is because they are either failing to deduct the \$100 limitation or not showing this computation on their return. Under a new program this year, the Service Centers are identifying and correcting

Declared Income Due April 17

Persons required to make a declaration of estimated Federal income tax for 1972 must file Form 1040-ES and pay at least 25 percent of the estimated tax due by Monday, April 17, 1972.

Roger C. Beck, District Director of Internal Revenue for Northern Illinois, said self-employed persons must include their self-employment tax in computing estimated tax.

The estimated tax package, which contains four vouchers and pre-addressed envelopes for use in making the

declaration and subsequent installment payments, was sent to those who filed a declaration last year as well as to others who, according to IRS records, may be required to file. The package also contains a worksheet and instructions to compute the estimated tax liability.

Publication 505, "Tax Withholding and Declaration of Estimated Tax," which furnishes detailed information on this subject, can be obtained free in person or by mail, from your IRS district office.

IRS Offers Saturday Taxpayer Service

Roger C. Beck, District Director, Internal Revenue Service for Northern Illinois, announced today that all Internal Revenue Service Offices will be open for taxpayer service on Saturday, April 8 and Saturday, April 15 from 8:00 a.m. to 4:30 p.m.

Mr. Beck also stated that in order to accommodate those who are unable to come in for taxpayer assistance the IRS will provide telephone service

on April 8 and April 15 from 8:00 a.m. to 4:30 p.m. The number to call for assistance is 641-1040.

The IRS will also offer last minute telephone service on April 17, 1972 from 8:00 a.m. to 8:00 p.m. and regular walk in taxpayer assistance from 8:00 a.m. to 4:30 p.m.

There will be no extension of regular office hours on April 17, 1972.

taxpayer errors in order that taxpayers will not be subject to later interest charges.

Mr. Beck explained that a personal casualty or theft loss is allowed only to the person who owns the property and must be reduced by any payment received through insurance. The amount that may be deducted must further be reduced by \$100.

When claiming a casualty or theft loss, the taxpayer should file a Form 4684 with his 1040 return, showing the loss on both the Form 4684 and on lines 26 and 31 on Schedule A & B of the 1040.

Additional information on properly claiming casualty and theft losses can be obtained from the nearest Internal Revenue Service office.

Grace Mary Stern

by: Raymond A. Minor,
D.V.M.
Manager of Veterinarian
Services
Nordeen Laboratories

With Easter just a short distance away, many parents are thinking of buying ducklings or baby chicks as pets for their children.

I would like to offer a few words of caution about household pets and Salmonella.

Did you know that public health authorities consider ducklings, baby chicks and turtles as notorious Salmonella carriers and vehicles of infections?

Ducks and chicks, they say "are recognized as one of the largest reservoirs of Salmonella."

These communicable disease authorities can predict with certainty a marked increase in Salmonella infections in children in the weeks following Easter.

Salmonella infection comes from the family of bacteria that causes food poisoning and gastrointestinal upset in man and animals. There are more than 1,200 types of Salmonella

bacteria, one of which causes typhoid fever.

Symptoms of the infection in man include fever, stomach cramps, vomiting and bloody diarrhea, which could result in extended hospitalization.

Generally not fatal, the infection can be extremely dangerous for infants and elderly adults. Children, who often spend more time playing with pets, are more susceptible to the bug.

In the spring, and especially during the Easter season, there is a serious hazard because of the many gifts of ducklings and baby chicks.

Bringing these pets into the home, where they are handled and fondled by children, is an open invitation to unwanted, avoidable illness.

I have found that sometimes these gifts, instead of providing pleasure, result in infections that can bring death to the pet while bringing serious illness to children, with the subsequent

spread of disease to other members of the family.

Children, especially in the age group from three months to six years, have personal hygiene habits that are generally conducive to the spread of contamination and infection.

Kissing a pet should never be allowed. Chronic fingernail biters - both children and adults - have become ill with the Salmonella infections after handling or close association with ducklings and baby chicks.

Parents and teachers should insist that children who handle pets wash their hands after each contact.

Persons responsible for the pets should know how to properly wash and sanitize their hands, clean the pet's food bowls and other equipment, and avoid contaminating the household environment.

ILLINOIS REVENUE DIRECTOR "TUNES IN" ON TAXPAYERS

Tuning-in on Illinois taxpayers, George E. Mahin, Director of the Illinois Department of Revenue, mans master console at the Illinois taxpayer assistance telephone center here to get first-hand information on taxpayer problems.

Mahin said the question most frequently asked this year comes from pensioners who are not required to file Illinois tax on pension and annuity benefits received in 1971 if they retired or began to receive them prior to August 1, 1969.

Mahin urged taxpayers who have questions to call the center using the toll-free number: Area Code 800 - 972-1630. Deadline for filing Illinois Income Tax returns is midnight April 17.

A Man Should Have His Portrait Made!

A man's growth in the business world brings responsibility to city and country. As he accepts his civic duties and performs worthwhile deeds, the calm, sure strength of leadership reveals itself in face and bearing.

His fellows take note and honor him with elective office, awards or other recognition. Indeed, this is a time for a professional portrait to capture completely the look of a man at such a gratifying time of life.

If recent honors have come to you (or someone you love), make arrangements now for the portrait that will save this moment in time forever.

IT'S LATER THAN YOU THINK!

"SEE HOW THEY RUN"

The Gaslight Players of Twin Lakes, Wisconsin will perform Philip King's hilarious comedy-farce "See How They Run" April 6, 7, 8 and 9 at St. John's Catholic Church Community Center in Twin Lakes.

The sedate setting in a London vicarage is in direct contrast with the rollicking action. Four men impersonating a parson race in and out of the doors as the parson's wife, an ex-actress, directs the traffic. An unexpected visit from a bishop and the intrusion of an escaped prisoner add to the involvement of the plot. The antics of an old spinster who touches alcohol for the first time and a cute Cockney maid who reads too many movie

magazines are sure to keep the audience as exhausted from laughter as if they, too, had joined the race.

Mrs. Joseph Bedore of Twin Lakes is the Director. The cast includes the following: Linda Welch, Silver Lake as Ida; Mrs. Walter Allen, Antioch as Miss Skillon; James Rohde, Twin Lakes as The Reverend Lionel Toop; Mrs. James Gnewuch, Paddock Lake as Penelope Toop; Glen Carnahan, Twin Lakes as Corporal Clive Winton; Steve Erickson, Twin Lakes as the Intruder; Larry Baker, Twin Lakes as The Bishop of Lax; Michael Miller, Twin Lakes as The Reverend Arthur Humphrey; Larry Jahns, Twin Lakes as Sergeant Towers.

Thursday and Sunday performances begin at 7 P.M. Friday and Saturday curtain time is 8 P.M. Tickets will be available at the door.

Lake Zurich Jr. High to Host Awana Olympics

Boys and girls from the Awana Youth Association program of the Lakes area will be competing for top trophies in athletic competition. For an exciting evening watching youth's energy put to test purchase tickets for \$1.00 Adults; \$.50 Children. The Antioch Evangelical Free Church sponsors the local program, meeting each Tuesday night at 6:30 P.M. Tickets may be requested by calling 395-4117.

Channel Lake Chatter

Pat Hucker and her new daughter, Wendy Renee were surprised last Thursday with a baby shower in their honor at the home of Kathy Behrens. Hostesses for the affair were Kathy Behrens, Virg Rudolph, Kay Doty and Barb Bailey who served the 20 guests some delicious refreshments along with their coffee. The gifts were lovely, and needless to say that beautiful baby now has the wardrobe of a princess.

Newest additions to the Chicken Pox going around our area, are Danette Behrens, Pamela Runyard and Cherie Teslow. I'm sure there are many more as the attendance at school is way down. Just think parents, the children will be better just in time for Easter vacation.

Channel Lake was well represented at the 4th annual VIP dinner dance held at St. Peter's Social Center last Saturday night. The lovely ladies and their escorts were Dutch and Helen Zeien along with their daughter Helen and her fiancée Mark McKinney. Lee and Marg McKinney were there along with son Bruce who is home on leave from the Air Force and their daughters Sue and Luanne.

Don and Barb Bjork, Don and Dorothy Purfurst and Joe and Louise Gutowski were also there having a very good time.

Kathryn Wells, who was in charge of the delicious dinner served at the dance was serenaded by her family and friends. The reason for the song was her birthday which was the following day, Sunday, March 26th.

Happy belated 16th birthday to Kathy Chase.

A snowmobile club is now being formed at the Lakeside Resort in Camp Lake, Wisconsin. The first meeting is scheduled on Tuesday April 4th at 8 P.M. Any interested persons are more than welcome and can get further information by calling 414-887-4221.

The Channel Lake P.T.A. will be meeting on Monday, April 10th in the school gym. Be sure to mark this date on your calendar.

Happy Easter to everyone and let me know the news!

With a Stern Eye

Stern's law has been validated once more: If anything can possibly go wrong, it will.

Tuesday's Primary Election, for instance, was the first really sizable one that the new County Clerk has handled. And our fledgeling regime is in difficulty already, at least with the State's Attorney. Not that I haven't always been in difficulty with Jack Hoogasian.

The chief problem lay in the number of Democratic ballots (green) ordered for the Primary. In planning ahead for this sort of occasion, one relies largely on history. Lake County's Democratic Primary vote has always been abysmally small. They are out there, however, as one can tell by occasional surprises in November, but very few care to commit themselves publicly in a Primary. At least they haven't in the past.

In 1970 there were 4,654 Democratic voters participating in the Primary. In 1968, 7,557 came out to declare themselves. In 1966 there were 7,753. And so on. But in 1972, after we had carefully computed the historical statistics together with a multiplying factor, and added a large cushion just in case the Walker-Simon contest brought them out in even bigger numbers—after all of that, 26,734 rushed the Polling Places all over the county to be Democrats for a day.

Our office was pandemonium. In fact the whole day was a for-real nightmare. Fairly early it became clear that the southern area of the county had gone mad. We called the printer and ordered extra ballots on the double. Runners were dispatched on foot and on horseback to the several precincts that were in trouble. And the phone rang. Dear heaven, how the phone rang!

"Mrs. Stern? How come you took it on yourself to take Ed Hanrahan's name off the ballot? I plan to vote for him and not you or anyone else is

going to keep me from doing it!" And slam went the phone. No time even to explain that Hanrahan was running in a different county.

And all over Waukegan the good men who had been turned loose to set up voting booths had erected only three in many of the polling places instead of the requisite five. In Zion the polling booths had been delivered, but were never set up; those judges too called for assistance.

In many precincts around the county, voters—and even election judges—were interpreting the blue non-partisan ballot as a green light to an Open Primary. In a number of places, we were hearing, voters were carrying the blue ballot into the Republican booth, walking out after they had punched their choices, and walking into the Democratic booth to punch there for which-ever candidates they wished. Apoplexy prevailed.

As it happens, those blue ballot cards were pre-punched in such a way that the computer was tipped off to count only the votes thereon for County Board of School Trustees and Home Rule, the only two non-partisan issues on either ballot, so none of those creative cross-over votes for candidates got counted.

Where the Election Judges were not permitting that sort of hanky panky with the blue ballots, voters were angrily stalking out of the polling places feeling their rights had been abridged. And they invariably stalked to a phone booth to call us. Apparently people do not yet understand the purpose of a Primary Election, which is to permit the members of each of the political parties to select their party's candidates for offices to be elected in November.

All this was teeming on the outskirts of the main drama: Would We Be Able to Supply Sufficient Democratic Ballots. At one point we authorized the judges to allow the ballotless Democrats to vote on yellow Demonstration ballots with the understanding that the punches would later be duplicated (by one representative of each political party) on a proper

green ballot. Though certainly not an ideal solution, we felt there was an emergency going on and until the ballot stock in the precinct could be replenished, those voters who were entitled to vote and who had come to do so, should be given the means. It was this emergency action which brought the State's Attorney to his feet and to the front pages.

It's not so much the heat in the kitchen that gets you down, it's the grease spatter...

COAST GUARD OFFERS DELAYED ENLISTMENT

The United States Coast Guard is now offering a delayed enlistment program for the benefit of high school seniors who expect to graduate this year.

Individuals may enlist in the Coast Guard now and delay commencement of their active duty for up to six months.

This program is intended to give high school seniors and other young men between the ages of 17 and 25 an opportunity to provide for their future careers or advanced training in the Coast Guard before graduation.

Though aimed primarily at high school men, this plan is ideal for any individual who is considering the Coast Guard, but for various reasons would like to delay the start of his active duty.

Further information about immediate or future enlistments may be obtained by visiting or calling your Coast Guard Representative. He's listed in the white pages under "United States Government Department of Transportation".

Barringer Lists Assets & Liabilities

Dean Barringer, Democratic Candidate for State Comptroller, today made complete disclosure of his financial affairs including release of his past income tax statements back to 1966.

Barringer listed his total assets and liabilities at \$73,350.00. Major assets were his farm West of Dongola \$29,000.00 and his home in Anna \$25,000.00. Other items listed were livestock

500 Children

More than 500 children are still needed for the pre-school screening project administered by the Special Education District of Lake County.

Any 3, 4, or 5 year old child not in kindergarten is eligible. The children must live in either unincorporated areas or in towns whose population is under 2,500.

The project will be done April 6, 1972 at the S.E.D.O.L. office and the 4 Saturdays in April and May, at Avon Center

Still Needed

School, Rt. 83, Lake Villa, Illinois. The screening will be done by professional S.E.D.O.L. staff.

Our purpose is to find what the average pre-school child can do on this screening procedure. It will take approximately an hour and a half of your time on the date you choose.

If you are interested in helping us, fill out the form below and send it to:

EASTER LORE AND LEGEND

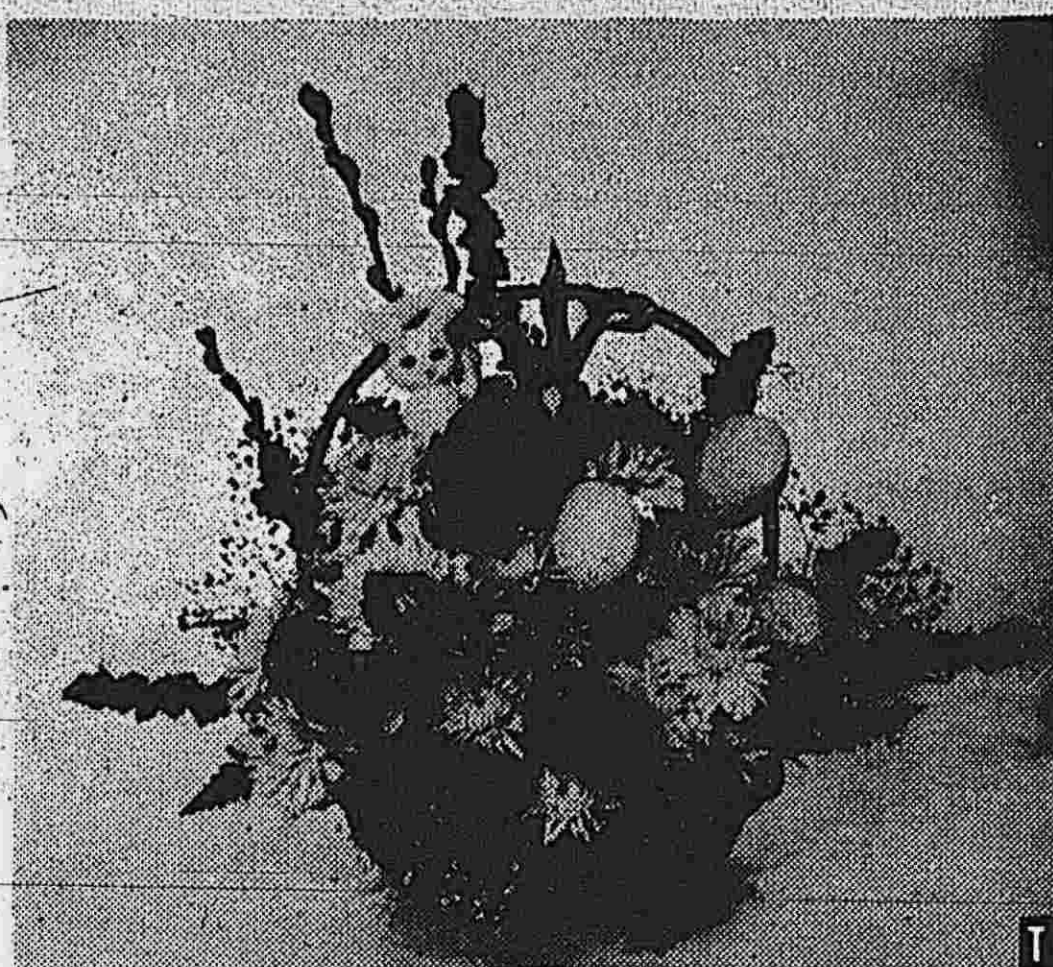

Though Easter is a universal holiday, it is celebrated in many different ways.

In Florence, Italy, a rite preserved from the Middle Ages annually commemorates the passing of Lent and serves as an omen for the coming year. As thousands watch, four white oxen draw an ornamented cart filled with explosives which are ignited at the proper moment. If the fireworks explode, great rejoicing follows, for it is believed that this foretells an excellent harvest.

Easter festivities in Mexico center on the destruction of Judas. Effigies of Judas are hanged or burned on the day before Easter.

The tradition of rising with the sun on Easter morn comes from an ancient peasant belief that those who witnessed sun-up on a certain day in spring would be blessed with good fortune, good health and fair crops. Even farm animals that rushed out to see the sun were presumably insuring lots of cream, fat bacon and grade-A eggs for the next year. The present version of this rural fete is, of course, the holding of countless early services on Easter morning.

Until the 4th century, Easter was less a religious holiday than a continuation of ancient rites in honor of the coming of spring. Eggs, for example, are a simple symbol of new life, and the giving and receiving of colored eggs signifies a wish

for the brightest of new things in the year to come.

We can also thank the early Teutons for our colored eggs and "Easter rabbit" traditions. The name "Easter" comes from Eostra, a Germanic goddess of dawn and spring. It was an ancient belief that each spring an egg descended from heaven and was hatched by doves. Out of it came Eostra, who brought the sun's warmth to earth and ended the winter. Soon after, a rabbit is said to have presented Eostra with the gift of a new egg. Today, gayly colored eggs still imply new life and are given as gifts to celebrate the day.

Interpreting the season's modern mood and spirit,

FTD florists have created the HappyNest, a special basket bouquet of colorful spring flowers. This fresh floral arrangement, which also features brightly colored eggs and a traditional "bunny" in its design, is a delightful gift that can be sent almost anywhere in the U.S. and Canada, via local FTD florists, throughout the week preceding Easter.

An Easter without the accompaniments of the holiday's finery and its customs seems unimaginable. The dour sages tell us that there's nothing new under the sun — but, under the Easter sun, all things look wonderful, meaningful and joyously new. — M. M.

HIGH SCHOOL TEACHERS TO ATTEND SUMMER SCIENCE INSTITUTE

Antioch High School has been named one of nineteen Illinois schools to receive invitations to send teachers to Northern Illinois University this summer to take part in a flexible and innovative science program designed to improve science teaching at the junior high school level.

Dr. Allen Weaver of the NIU physics department indicated that the Intermediate Science Curriculum Study (ISCS) institute will last six weeks from June 12 to July 21 this year.

The NIU physics professor said that the ISCS program will stress experiments, self-pacing of students, and clearly-written materials which can easily be used by students on their own.

The summer institute, which is funded by the National Science Foundation, will train

instructors to teach basic physics in the 7th grade, chemistry in the 8th grade, and several integrated sciences in the 9th grade. The six-week institute will be supplemented by 8 seminars for participating teachers that will be held throughout the 1972-73 school year.

Weaver said that in addition to the seminars a constant check on the progress of the program will be maintained by visits from him and Edward Bratrud, a science consultant with the State Superintendent of Public Instruction's office.

Teachers accepted for the summer program will receive stipends and will have all tuition and fees waived.

Names of teachers accepted for the summer institute are expected to be announced in April.

WIU ALUMNI TO MEET

The Chicago-area alumni chapter of Western Illinois University will meet at 7:30 P.M. Thursday, April 13, at the Ramada Inn at Burr Ridge (Hinsdale).

Dr. John T. Bernhard, president of WIU, will be the featured speaker. James M. Grigsby, WIU vice president for business affairs, and Ray "Rock" Hanson, retired WIU athletic director, are expected to be in attendance.

"We have chosen this type of program to be of less expense to members and to allow them more time to get home from work, have their dinner, and then come to this informative and entertaining meeting for Western people,"

explained Chuck Schramm of (1685 Midland) Highland Park, chapter president.

Because of some basic costs for the meeting, it is necessary to know how many persons are coming in advance. Interested persons are asked to send \$1.00 by Wednesday, April 5, to Don Runge, 15 Spinning Wheel Road, Suite No. 10, Hinsdale.

Spouses and other friends also are invited to attend the meeting. Additional information can be obtained by contacting Schramm at 312-831-4322 or Runge at 312-325-9610.

Approximately 45 per cent of WIU's record 13,711 enrollment figure last fall is from the Chicago metropolitan area.

PHILLIPS REQUESTS PERMIT FOR IMPROVEMENTS

Six applications for construction permits have been received by the Illinois Division of Waterways, Transportation Secretary William F. Cellini announced today.

Persons favoring or opposing the proposed construction may write to John C. Guillou, chief waterway engineer, 201 W. Monroe St., Springfield, prior to March 28.

The applications, by counties, follow:

HARDIN— By Downstate

IN SEQUOIT TERRACE

Construction Co., Inc., 1810 Dorothy Ln., Marion, to construct a barge loading and unloading facility on the right bank of the Ohio river, north of Hamletsburg.

LAKE— By William Phillips, trustee, Trust No. 395, Terrace Properties, Inc., 822 Corona Ave., Antioch, to install a water main and a sanitary sewer under and across Sequoit creek and to connect a storm

sewer to a culvert at Antioch.

MADISON— By National Marine Service, Inc., Foot of Hawthorne St., Hartford, to dredge 22,000 cubic yards of material from the left bank of the Mississippi river and to construct a pile cluster for barge mooring at Hartford.

McLEAN— By Northern Illinois Gas Co., Aurora, to install a gas main under and across the Mackinaw river, 12 miles north of Bloomington.

McHENRY— By the City of Woodstock to straighten, clean and pave Silver Creek under Melody Lane Bridge at Woodstock.

MERCER— By James M. Fausett, R.R. 3, Aledo, to excavate 960 feet of new channel for the Edwards river, north of Aledo.

Rick Simon and Coach Ron Jurewicz were not present for the picture. (Staff Photo)

In baseball, the rule that a foul bunt is scored as a strike was introduced in 1894.

Little League and BABE RUTH BASEBALL LEAGUE REGISTRATION

The Antioch Little League will be having registration for all boys who will be interested in baseball for the coming season. All boys participating in the Minor League, Little League, and Babe Ruth Leagues, are asked to come to the Scout house to sign up. The dates are Saturday, April 15, 22, & 29 from 10 a.m. til 4 p.m.

For further information you may call the League Secretary, Bernie Gutowski at 395-0864.

The Antioch Babe Ruth Baseball League which is open to boys age 13,14 and 15 will have registration at the Scout House April 15,22, and 29. Registration Fee is \$6.00 for one boy or \$10.00 for two or more boys.

Try-outs will be held May 6th at the Antioch High School baseball diamond from 12:30 P.M. to 4:00 P.M.

New to the league this year will be two divisions each with three teams. The winners of

each division will have a best two of three game series at the end of the season.

Also planned for the first time is a graduate game which will feature the 15 year old boys playing an inter division - nine inning game scheduled for Sunday July 2nd.

The first Babe Ruth game of the season is scheduled Monday, June 5th.

All persons interested in helping Babe Ruth Baseball can call Dick Witt, 395-1089 or 395-0381.

TEACHERS PARTICIPATE

IN NATIONAL SCIENCE FOUNDATION

Antioch District No. 34 is pleased to announce the participation of two of its Upper Grade Science Department members in a National Science Foundation Institute at Northern Illinois University for the summer of 1972. Those participating are Mrs. Mary Kern and Mrs. Mary Bruski. The Institute is designed to improve participants knowledge and effectiveness in working with the new science program presently being used in several classes at the Upper Grade School. The program is called Intermediate Science Curriculum Study.

Waukegan Speedway Opens April 8th

The Waukegan Speedway will open its 1972 late model season on Saturday night April 8 and Sunday Afternoon April 9 without the 1971 champion Bob May back to defend his title, unless May finds a good ride in the next few days.

But three other Waukegan champions will be hoping to replace May in the top spot as Jim Cossman, Ray Young and Tom Reuss all plan to have new cars running in the opening weekend of racing. May, of Gurnee, sold his car shortly after the end of last season and has not built another for this year.

Waukegan's Jim Cossman will be starting his 11th year of racing with a new car, a 1968 Chevelle, if the car can be completed in time. Cossman, age 38, has won the Waukegan championship four times ('64, '66, '67, and '68) and finished second three times including last year.

After selling his car last year, Cossman has been steadily working on the new entry for the last month. Jim expects it to be close for making the opening weekend...but he hasn't missed a race in the last nine years at Waukegan and April 8 is not likely to be the first.

Ray Young of Dolton ruled the Waukegan asphalt in 1969 and 1970, but dropped to 9th in last years point race missing many races. Young has a 1970 Mustang Mach 1 ready for Waukegan this year. Presently his 427 cubic inch powerplant is being rebuilt following the races in Florida during February.

Young, at age 40, has won track titles at four different Chicago area speedways and is an 18 year veteran of paved track racing.

The newest car on the track opening night will be driven by the newest late model driver as Tom Reuss of Wildwood wheels a 1972 Camaro 2-28 in hopes of winning the late model title. Rauss won the hobby stock crown in 1969 and 1971, but looks for the late model division to be much tougher going.

Reuss, age 26, will be starting his sixth year of racing, but first in the late model class. Car owner Chuck Caley of Ingleside says no expense has been spared to give Reuss a winning car. The car will have a Franklin Quick-Change rear end and an open chamber 454 cubic inch Chevrolet racing engine.

But these three will face some stiff competition on April 8 and 9 as a good field is expected for the opening weekend. Northbrook's Tom Jones is refreshing the 1970 Chevelle he won 13 features with at Waukegan over the past two years and he promises to add number 14 and number 15 the first weekend with his trusty car.

With other speedways still

idle on Waukegan's opening date, outside competition can be expected to be stiff. Leading the visiting drivers will likely be Ray Freeman of Crete. Freeman, who is hard to beat at any racetrack, is fresh off a good showing in Florida and won a track championship locally in 1971.

Not to be counted out is Al Hagerty of Libertyville who will be coming out of a two year retirement this season. Hagerty, who finished second in the 1968 campaign at Waukegan, hopes to have the finishing touches on his 1967 Chevelle for the opening race.

Others expected to be ready for the first weekend of racing include Roy Acuff of Chicago,

Chuck Chadwick of Lake Zurich, Harry Cooper of Hillside, Bob Delaney of Keeneyville and Herb Artelt of Wildwood. Also racing will be Tom Musgrave of Mundelein, Cheryl Arndt of Oak Creek, Pete Brewer of Waukegan, Bob Roper of Chicago and Al Gutche of Bristol.

Racing on the same cards will be the exciting hobby stock division. Time trials for Saturday's races will start at 7 P.M. with qualifications beginning at 1:00 for Sunday events. The races will start one hour later.

Lake Geneva Stock Racing Has New Management

Stock car racing at Lake Geneva Raceway will be under new management for the 1972 Season. HATO Racing Inc., will conduct the auto racing events on the oval track while the Leopard Corporation will continue to present the drag strip events.

HATO Racing is heavy on past racing experience. It includes the 1971 IRA Lake Geneva driver champion of modified stock cars, Whitey Harris, Lake Villa and Ray Toft, Antioch.

Harris has been in stock car racing for nearly ten years in which time he has accounted for seven different track championships in the modifieds. He has also competed in USAC Lake

model stock car racing. Ray Toft brings a wide background of racing administration activities to the HATO group. He has been a car owner of all classes of stock cars and has assisted and managed racing events for several years at Willmot, Lake Geneva, Waukegan and Chicago.

This group will present late model, sportsman, modified and spectator stock car racing each Saturday night starting April 1 until May 20 when the modifieds will switch to Sunday nights and will be under the sanction and direction of the Interstates Racing Association. Saturday nights and special nights will then continue to be the fender type of stock cars.

Lake Geneva Opens Area Stocks

New management at the Lake Geneva Raceway will open the 1st area stock car auto racing of the 1972 season this Saturday night April 1.

The new promotional group, HATO Racing, Inc., comprised of modified driver champion Whitey Harris, Lake Villa and Ray Toft, Antioch, will be in charge of all oval track stock car racing for the 1972 Season.

This Saturday night they will present open competition of four different divisions of stock cars. Gene Sisk, Dereian, Joe Sansonne, Twin Lakes, Ray Bush, Silver Lake and Ed

Hoffman Niles will head up a large group of late model stock cars. IRA Champions Whitey Harris and Johnny Reimer will be on hand in modified stocks.

Sportsman and Spectator stock classes will complete the four divisions of open competition. One major safety requirement has been added to the spectator stock car class. All in this group must now have roll bars, seat belts and secured hoods and doors.

Saturday night racing will continue throughout the season with the IRA Super modifieds racing on Sunday nights starting May 21.

SPORTS SHORTS

NYETS TO YOU!

Because baseball is indisputably an American invention, a lot of people saw "red" in 1962 when a Soviet newspaper claimed that "Beizbol" was an old Russian game!

HARD AS NAILS!

Beloved by millions of fans, the fabulous Yankee, Lou Gehrig, more than lived up to his "Iron Man" nickname by playing in 2,130 consecutive games!

"BRAND" NEW BALL-GAME!

You can give our youth a worthwhile boost by buying brand-name products displaying Little League Booster Seals. The manufacturers of Swift's Premium Franks, Bosco, Peter Paul Candy, Clark Gum, Smile Gum and Desenex will make a contribution to the Little League each time they receive your proof of purchase during April and May 1972. Their mailing address is: Little League Booster Brand Trust Fund, P.O. Box 5333, Clinton, Iowa 52732.

Baseball Prospects are Uncertain

With the opening of the spring campaign only a week away, Antioch Varsity Baseball coach, Bill Seeman, had his men drilling hard on fundamentals, but took time to give this reporter his views on prospects for the soon to begin season.

ON COMPETITION

"I look for Lake Zurich and Grayslake to have the pitching this year. Grant and Warren will probably have the hitting and fielding, while Wauconda, Lake Forest and Round Lake have good balance."

ON PITCHING

On this subject Seeman was candid in his evaluation. "I have no proven varsity pitcher. But I do have two hard working senior pitchers in Bud Newton and Jerry Jakobs. Juniors working equally hard are Glen Amundsen, Jim Weber and Mark Maras. Glen and Mark both gained some valuable experience playing summer ball last year."

ON CATCHING

"Our catching is also not established on the varsity level. Right now I have two seniors: Jeff January and Jim Revell working out. Doug Banwart, a junior, also may fit into my plans.

This position, on the high school level must be filled by a man that has good knowledge of the game and posses a strong arm and that is "Mr. Hustle."

ON INFIELD

"Our infield is solid at second base with senior captain Tim Mieuere. I've got senior Brian Zale at third with competition coming from junior Dennis De Boer. At short I've liked the quick hands of senior Mike Guilfoyle and junior Steve Vazquez so far in the early workouts. At first base, senior Greg Crutchfield, who can also play the outfield

and junior Joe Mehovolovich are splitting duties."

ON OUTFIELD

"Junior Fred Popp, who I consider the fastest man on the squad will be centerfielder, where he played as a sophomore. Seniors Dan Mahar and Jim Wirth will be giving Fred competition for that spot."

"Other men going out for outfield position are juniors Len Benning and Charley Chapman-- two real fine hustlers."

ON HITTING

"Of course, much of who will play where on April 1st will depend on their hitting ability. If the men who are going out for the outfield positions can't hit, we'll use infielders, pitchers, bat boys in their position. They must be able to hit -- and hustle."

ON THE BASES

"Our running game prior to last year was more than adequate for high school ball -- we'd steal on the average of 50 or 60 bases a season. Last year -- it was terrible. I think we stole something like 14 bases. We are definitely going to emphasize our running game. So far juniors Bill Toman, Ed Anderson and Shayne Schroeder have shown me good speed this year."

ON THE SEASON

"This year will be the last for the Northwest Suburban Conference. One of our goals is to win it this year.

So far the spirit has been good working indoors, but Coach Blecke and myself want to get outdoors to really see what our ball players can do. I feel that if four or five seniors come through, we could have a great season."

(NEXT WEEK -- GOLF PREVIEW)

ANNUAL LIONS ATHLETIC BANQUET

Antioch High School Athletic Director Ward Lear holds honor plaque presented at Lions Club Annual Athletic Banquet held Monday, March 27th.

Others posing for photo are: ("l to r") Gary Mandehr, outstanding athlete, track cross country; Greg Crutchfield, outstanding athlete, football; Gus Costoff, Lions President, guest speaker Vince Francesca, Athletic Director Carroll College; Lear; Tim Mieuere, outstanding athlete basketball; Cliff Bode, outstanding athlete, wrestling and toastmaster, Milo Bailey. HUDSON AND LANIER HEAD STAFF AT MACAULEY'S BASKETBALL CAMP

Lou Hudson, an All N.B.A. veteran of the Atlanta Hawks and Bob Lanier, 6' 11" pivot man for the Detroit Pistons are among the guests appearing at Ed Macauley's Basketball Camps this summer. Lanier will join the staff of the camp at St. Henry's Seminary in Belleville, Illinois from June 25th thru July 1st. Hudson will head the staff at Marmion Military Academy in Aurora, Illinois from July 9th thru the 15th. Each guest will appear at the camp for one full day.

Both Lanier and Hudson have been among the top 15 scorers in the N.B.A. during most of this current season.

Boys 10 thru 18 will be eligible to enroll at the camps which will be structured to accommodate boys of various ability levels. Lanier and Hudson will join the members of the permanent staff which will include such men as Max Kurland of St. Pat's, Chicago; Ron Felling of Lawrenceville; D.C. Wilcutt of C.B.C. - St.

Louis. These and other outstanding high school and college coaches will work with the campers each day to teach them the fundamentals they need to become great players. These fundamentals will include shooting, one-on-one, rebounding, defense, dribbling, passing, ball handling and other fundamentals players will need to improve.

Tuition for the full week is \$115.00 and includes board and room and all other costs of

the camp. For brochures and applications, prospective campers and coaches should write to Ed Macauley's Basketball Camps, 1177 N. Warson road, St. Louis, Missouri, 63132.

Now in its 19th year, the oldest basketball camp in the midwest numbers among its alumni such stars as Bill

Bradley of the Knickerbockers; Denny Shidler, former state scoring champ from Lawrenceville; Jeff Furry, All State Candidate from Matoon; Bob guyette, former All Stater, from Ottawa; Greg Flaker, Missouri University; Bill Paradowski, St. Louis University; Vince Smith, Wichita. These and many other All State and All District players indicate the value of learning the correct fundamentals upon which to build a career.
